Announcements:
"April Showers Bring May Flowers": The Main Street Center Nutrition Board has asked the kitchen staff to compile a "wish list" – another attempt to make the Main Street Center noon meal, "Meals on Wheels" and

Town Square program survive. We're asking for your help. It's an "April Shower" of kitchen/office supplies you may donate to help keep expenses down. Thank you for any donation.

Folgers Classic Coffee Regular, laundry detergent and Dawn dish soap, white paper towels, reams of printing paper (8 1/2 by 11), 40-50 gallon garbage bags, first-class stamps, black pepper and HP office jet 4500 ink are among the items being accepted.

Vermillion High School needs your help: The mission of the Vermillion School District is "To empower all students to maximize their success in our global community." With this in mind, the state is mandating additional offerings for graduation starting in the fall of 2013 to include some sort of Senior Experience. This might take the form of becoming a mentor or providing job shadowing and internship opportunities.

In order to assist the district with the implementation and

sustainability of such a program, we are requesting adults and businesses in the community to please take a moment to fill out this quick survey. This will help us know of opportunities to give every student "the right opportunity and responsibility to learn academics and essential life skills to prepare them to live successfully in an ever changing world." Thank you in advance for your participation. The survey is available at <http://vermillion.k12.sd.us/cms/module/selectsurvey/TakeSurvey.aspx?SurveyID=114> or visit www.vermillion.k12.sd.us and under Headlines click on Parents/Community, VHS Needs Your Help.

Meals on Wheels needs your help. Vermillion Meals on Wheels, like other towns participating in the nutrition project of Dakota Senior Meals, is struggling to survive. The state and federal government provide approximately 40 percent of the actual cost to prepare each meal. The rest of the cost comes from local sources. You can help

make a difference. Make a donation or enjoy a nutritional, "home cooked" meal by the Vermillion Dakota Senior Meals at the Main Street Center. Meals can also be delivered to individuals and couples that are unable to leave their home. To make a donation or for more information, call the Nutrition Kitchen at 624-7868.

The sixth annual Community-Wide Preschool Screening sponsored by the Vermillion School District and Head Start along with community support for children who are currently ages 3 and 4, but not eligible for kindergarten in the 2013-2014 school year. To schedule a screening, call Kazy at Austin Elementary School, (605) 677-7010 for a time slot on Friday, April 5 between 9 a.m.-1pm. Areas to be screened include developmental, language, social, hearing and vision. Make plans to attend – we look forward to meeting your child.
