State distributes masks for use in flood cleanup

Gov. Dennis Daugaard says the state Department of Health is distributing 50,000 special respirator masks to help homeowners with cleanup in 40 counties where flood disaster declarations are in place.

The N-95 respirator masks are recommended during mold cleanup to limit exposure to mold. High levels of exposure to some molds can cause illness in susceptible people. Typical symptoms include nasal and sinus con-

gestion, eye irritation, dry or hacking cough, nose or throat irritation, and skin rashes or irritation.

To get masks, homeowners can contact the Department of Health Community Health Nursing office in their county (http://doh.sd.gov/LocalOffices/CHS.aspx) or their county emergency manager. Both will have a supply of the masks and can indicate other distribution points that may be available in the county.

Chamber Business:

Attention Chamber Members! If you serve the USD student community please join us for the Coyote Bash Thursday, Sept. 1 from 6 to 8 p.m. in Downtown Vermillion at Ratingen Platz. The Coyote Bash is a partnership between the Vermillion Area Chamber of Commerce and the University of South Dakota which welcomes back USD students and introduces incoming freshmen to the product and service offerings of the community. This year, it is being held in

conjunction with Thursdays on the Platz. Making the students aware of all we have to offer improves retention, maintains a strong customer base and keeps retail spending local. Don't miss this great opportunity to build loyalty and a relationship with your customers from day one by setting up a table to introduce and promote your business to the new students. For more information or if interested in setting up a table, please contact Ann at the Vermillion Area Chamber & Development Co. at 624-5571 or annb@vermillionchamber.com

Business After Hours: Are you looking for an opportunity to showcase your business and network with your peers? Sign up to host a Business After Hours event! These events generally run from 5 to 7 p.m. on a weeknight and the hosting business provides hors d'oeuvres

and refreshments. If interested, please contact Ann at: annb@vermillionchamber.com or at 624-5571.
