Kathie Herrera receives Special Olympics Athlete of the Year Award

Kathie Herrera receives Special Olympics Athlete of the Year Award Kathie Herrera, a 15-year-old sophomore at Vermillion High School, was honored on July 27 in Aberdeen at the South Dakota High School Coaches Association 40th Annual Award Luncheon with the 2011 Special Olympics South Dakota, Outstanding

Athlete of the Year Award. This award is presented to a Special Olympics athlete who has demonstrated the true spirit, courage, sharing and joy of Special Olympics.

Kathie recently returned from Greece after competing in the World International Special Olympic Games. Kathie was selected to represent the United States and be on the US Swim Team after earning multiple Gold medals during swim events at the National Special Olympics held in Lincoln, NE in July 27, 2010. Kathie practiced her swimming skills with Yankton Swim Team and attended USD swim camp one week before departing on June 18. She joined the US Team traveling to the Isle of Rhodes, Greece. The team practiced, adapted to the area and prepared for the competitions for a week prior to the actual competitions which started after an amazing international starstudded opening ceremony on June 25.

Kathie competed in the first preliminary events of the Games early the next morning. As a Special Olympian, Kathie could only participate in four events yet she

managed to medal in all of them. She received a silver, second place in the 100M Breast stroke, Division F2 with a final time of 1:54.25; a silver, second place in the 100M Freestyle Division F2 with a final time of 1:22.41; a silver, second place in the 4x100M Medley Relay where she swam the Breaststroke in the second leg of the medley with a final time of 6:37.83 and a bronze, third place in the 200M Individual Medley, Division F1 with a final time

Kathie also competes in basketball, bowling and track and field Special Olympic events. Kathie's coach, Jen Law states that Kathie has blossomed and grown in confidence as she has competed in Special Olympics. Kathie has been helpful and attentive to younger Special Olympic athletes who are new to sports. Ms. Law cites that Kathie has been particularly helpful with one student who was not responsive to their regular methods yet with Kathie's attention and help, the student is now participating more fully.

Kathie's parents state that Kathie initially was very insecure and frightened of new events and activities. She experienced high levels of anxiety when stressed or frightened. Team sports were difficult because Kathie's delayed responses often frustrated other teammates and coaches. Swimming became her sport because she loved to be in the water. It seemed to have a calming effect.

Kathie was allowed to develop at her

own pace without the worry of competition. Over time, as her confidence grew, Kathie started to attend competitive meets. In Special Olympics activities everyone participates and the emphasis is to do your best. Special Olympics activities have helped Kathie to continue to grow in confidence and leadership. She has developed friendships locally, nationally, and internationally.

Kathie's parents are particularly

proud of the Athlete of the Year Award as it reinforces their belief that Kathie's growth, development, and maturation continue to improve with participation is Special Olympic activities.

Coyote Volleyball opens fall camp

South Dakota volleyball began its fourth year under Coach Matt Houk's guidance Tuesday as the Coyotes opened fall camp. South Dakota has 14 athletes in in camp – including six freshmen – as it prepares for a season-opening tournament at Wyoming on Aug. 26-27.

The Coyotes, entering their first year of competition in the Summit League, return five starters and their libero from their 2010 that finished as Great West Conference tournament runners-up. They have 12 home matches as part of a 32-match regular-season slate.

Houk has also announced that Nikki Hintze has joined the Coyote coaching staff as a graduate assistant. Hintze is a former volleyball standout at Wisconsin-Green Bay who coached for the Milwaukee Sting Volleyball Club last season.

Hintze played at Wisconsin-Green Bay from 2007-09 and is fourth all-time in school history in kills per set (2.90) and sixth all-time in school history in kills (920). She also led the Phoenix with 22 service aces in 2008. Hintze, a native of Menomonee Falls, Wis., was
