### Chamber Business:

We mourn the loss of former VCDC Board president and dear friend Roger Kozak. May Roger's kindness and character serve as the example for all of us on how to live, and may we live up to the promise he saw in this community. Vermillion will continue to be defined by his leadership for years to come. Our deepest sympathy goes out to Pat during this difficult time.

The Vermillion Area Community Foundation is accepting proposals for projects to improve our community. Forms for submitting proposals by groups or organizations are available at the Chamber of Commerce office. While funds available are limited we can fully fund small one time requests or partially fund larger projects. Your annual donations to our Foundation will provide us with increasing funds each year for worthwhile projects.

**Business After Hours:** Are you looking for an opportunity to showcase your business and network with your peers? Sign up to host a Business After Hours event! These events generally run from 5-7 p.m. on a weeknight and the hosting business provides hors d'oeuvres and refreshments. If interested, please contact Ann at: annb@vermillionchamber.com or at 624-5571
