The grant requested funds to repair and resurface four tennis courts and replace nets at the existing tennis facilities. Additional dollars have also been raised through other sources to achieve the total project cost of \$22,000.

The Vermillion Public Schools Foundation wants to thank the Dakota Hospital Foundation for its generous support. The VPS Foundation is pleased to assist the tennis supporters and the Vermillion Athletic Boosters in this project that provides a valuable community asset

for the east side of town and also benefits the tennis program in the Vermillion Public schools. The tennis courts will be available to people on the east side much like the city courts are available on the west side at Barstow Park," said Susan Tuve, President of the Vermillion Public Schools Foundation.

"We are excited to help with renovations to the tennis courts that will enhance the tennis program for our vouth and for community members who wish to utilize the upgraded facilities," said Lisa Ketcham, President, Dakota Hospital Foundation Board.

Dakota Hospital Founda-

tion held an open grant period from April 1 – 30, 2015. Five grants applications were received and three were awarded for a total of \$9,500. The next open grant period for DHF will be October 1 - 31, 2015. Learn more at sanfordvermillion. org/foundation.
