Vermillion School District Welcomes New Teachers

CHARMAINE LOVE
SCHOOL: Jolley Elementary
POSITION: 3rd Grade Teacher
SHORT BIO: I have lived in Vermillion for three years. I received my Bachelors in Health and Sports Science at North Western Oklahoma State University in 2010. In 2012, I received my Masters in Elementary Education at Wayland Baptist University. Currently I am working towards my Ed.s in Education Administration Pre K-12 at the University of South Dakota. I am married with one son. My son will be attending 4th grade at Jolley Elementary. My teaching experience includes teaching Head Start for one year through USD Head Start in Dakota Valley. I also taught 3rd grade at Harvey Dunn Elementary for one year.
WHAT ARE YOU MOST EXCITED FOR WORKING IN THE VERMILLION SCHOOL DISTRICT?
I am most excited to be working with a great group of teachers and helping impact lives in such an awesome community.

JAMIE SMITH
SCHOOL: Vermillion High School and Vermillion Middle School
POSITION: Spanish 1, 2, 3
SHORT BIO: I graduated from the University of South Dakota with a Bachelor of Arts in Spanish and am currently working on my Master of Arts in Education. I've nannied in Spain for a summer and studied abroad in Costa Rica where I had the opportunity to travel to Panama and Nicaragua (travel was very inexpensive). Upon returning to the States I applied for the teaching position as a Spanish teacher and here I am!
WHAT ARE YOU MOST EXCITED FOR WORKING IN THE VERMILLION SCHOOL DISTRICT?
I don't even know where to begin! I am very excited to be working in a friendly and supportive community. The faculty of both the high school & middle school have been so helpful and supportive. Working with the Vermillion School district is going to be a great experience/wonderful opportunity. However I am MOST excited to meet my students and share my passion for learning another language and broadening horizons/gaining new perspectives on life!

MICHAEL NELSON
SCHOOL: High School
POSITION: Chemistry Teacher
SHORT BIO: I graduated from Vermillion High School in 2010, and then went on to study pre-medical chemistry, Spanish, and kinesiology & sport science at USD. After graduation, I pursued my Master's degree in education. During my time at USD, I volunteered as a track coach at VHS.
WHAT ARE YOU MOST EXCITED FOR WORKING IN THE VERMILLION SCHOOL DISTRICT?
I am most excited to be back at Vermillion High School working alongside my former high school teachers.

DAWN WIRTH
SCHOOL: Middle School
POSITION: Sped programs
SHORT BIO: My work in education started as a second grade teacher in Hurley. Along my career path I have taught special education, been an elementary principal, special education director, done professional development as a trainer, and most recently worked as a program specialist at DOE in the office of Special Ed.
WHAT ARE YOU MOST EXCITED FOR WORKING IN THE VERMILLION SCHOOL DISTRICT?
I am excited to work with all levels of students. I enjoy the excitement and challenges that each age group brings to education.

JODI ZELLER
SCHOOL: Middle School
POSITION: 6th Math
SHORT BIO: BS Math Education – University of South Dakota
4 years @ Bennett County – Pre Algebra & Title Math
3 years @ Springfield Academy – HS Math

Executive Secretary Dakota XII Conference
Married – Jeff Zeller & 3 kids Drake, U of Kansas – Brock & Katie USD
WHAT ARE YOU MOST EXCITED FOR WORKING IN THE VERMILLION SCHOOL DISTRICT?
I am excited to work in a middle school team and to focus on math, which is my love.

MYLES LARSEN
SCHOOL: District-wide
POSITION: Assistant Technology Coordinator
SHORT BIO: Graduated HS from Elk Point-Jefferson in 2008
Graduated college from South Dakota State University in 2013 HPER-PETE
Worked at St. Agnes in Vermillion for last two years.
Currently getting my Masters in Technology from USD.
WHAT ARE YOU MOST EXCITED FOR WORKING IN THE VERMILLION SCHOOL DISTRICT?
Meeting all the students & getting to work with all the technology offered.

GABI JARCHOW
SCHOOL: Jolley & HS
POSITION: 2nd & Head Volleyball Coach
SHORT BIO: I am originally from Lincoln, NE. I attended USD and played volleyball. At USD, I graduated with BS in Elementary Education with Kindergarten and Early Childhood Endorsements. I also received my Masters in Reading from USD. I have been teaching for 5 years. My last 3 years I taught Kindergarten at Dakota Valley.
WHAT ARE YOU MOST EXCITED FOR WORKING IN THE VERMILLION SCHOOL DISTRICT?
I am very excited to get to meet new people in the community! I am excited to be involved in the community and help the younger children learn new information with hands on activities.

KIM REINS
SCHOOL: Austin
POSITION: Speech Language Pathologist
SHORT BIO: I have enjoyed working as a Speech Language Pathologist for the past 10 years at Sanford Vermillion and St. Lukes/Unity Point Health Care and am excited to join the team at the Vermillion School District. I am originally from Okoboji, IA and attended Bethel University, The University of Minnesota as well as The University of South Dakota where I received a Masters degree in Speech Language Pathology. I am married to Kevin Reins and have two children, Caleb (7) and Caitlyn (5). We also have 2 horses, 10 chickens and a dog.

WHAT ARE YOU MOST EXCITED FOR WORKING IN THE VERMILLION SCHOOL DISTRICT?

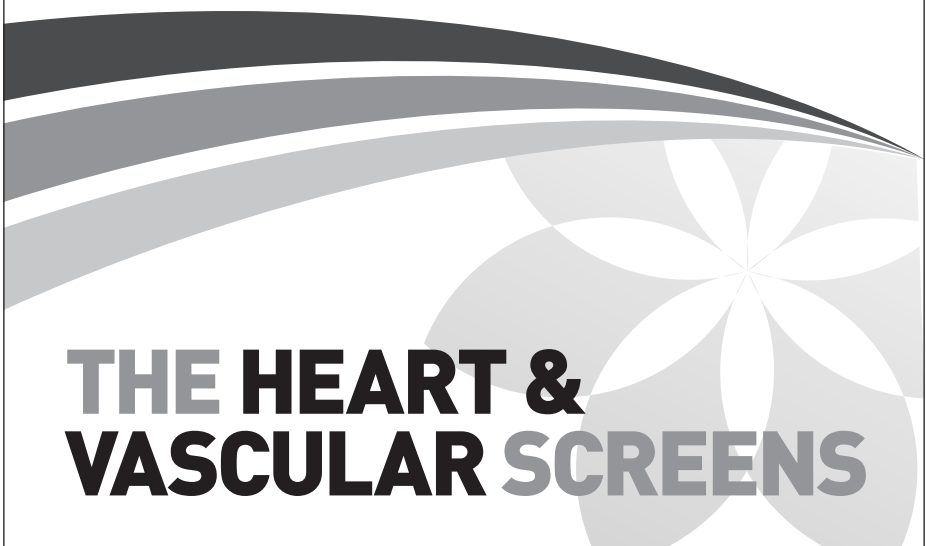

I have had much experience working with the staff in the Vermillion School District, through the collaboration of therapy with various students in the district receiving hospital based services. I have seen a lot of enthusiasm and expertise within this District and am excited to join this team.

STACEY BAEDKE
SCHOOL: Austin Elementary and JV Volleyball Coach
POSITION: School Counselor
SHORT BIO: I am originally from Pipestone, MN. I went to SDSU for my undergraduate and graduate degrees. I lived in Marshall, MN for three years and was a high school counselor as well as the C Squad volleyball coach and B Squad softball coach. I moved to Vermillion in May and married Ryan Baedke on July 18th.
WHAT ARE YOU MOST EXCITED FOR WORKING IN THE VERMILLION SCHOOL DISTRICT?
I am most excited to be working with a different age level of students as I will be working with elementary students instead of high school students.
