THE Broadcaster

Helping keep Vermillion strong since 1934. . .

- Has been serving readers and advertisers in this area since 1934.
- Pays over 30 carriers thousands of dollars per year and those dollars in turn are being spent in Vermillion businesses to help keep the local economy strong.
- Over 27,000 readers enjoy reading us weekly.
- Printed in South Dakota thereby boosting not only the regions economy but our great state's economy as well.
- Installing new equipment again to continually improve on an already great product.
- Proud contributor of over \$25,000+ to Vermillion Now Campaign.

A few words from these Broadcaster advertisers:

I can tell you the minute my ad starts to run in the Broadcaster by the amount of calls that I receive for any open apartment units that I may have, the response is pretty close to instantaneous.

*Mandy Huber

The Broadcaster advertising department is wonderful at taking our ideas and creating an ad that we like with minimal guidance. They do a great job at reading our minds!

Todd's Electric Service

I have been using the Broadcaster as an integral part of my advertising program because I get results. The business card size ads have generated many calls and netted a large percentage of my clients.
