"Neural and Behavioral Correlates of PTSD and Alcohol Use"

If you have been deployed to Iraq or Afghanistan, are right-handed, and are between the ages of 18 and 45, and are not currently pregnant, you are being invited to participate in a research project about past experiences with stress and current behaviors. This study is being conducted by Drs. Gina Forster, Jeffrey Simons and Raluca Gaher at The University of South Dakota.

Participation in this study involves completing an interview and questionnaire with a research team member, which should take 3 hours or less. Your participation in this study is completely voluntary and your responses will be confidential.

You will be given \$100 for completing the initial interview and eligible participants will be invited to participate in a second study using magnetic resonance imaging (MRI) in which you will receive \$300. If you are active duty military, you will only be compensated for research participation if you are off duty.

If you are interested in this study, please contact Dawne Olson at 605-677-5170 or neurostudies@usd.edu for more information.

Thank You

The family of Mike Marsh would like to express a heartfelt thank you to all of our friends and family for the support given to us over the past several weeks. Thank you to Team Hope, Brad and Jen Carda, the Clay Creek Deaf Cowboy Band, and all who donated to the benefit for Mike. Even though Mike's time was cut short he enjoyed seeing everyone. Thank you to everyone who sent flowers, plants, food, cards and memorials. Thank you to Father Scott Traynor for the words of encouragement and for the mass at the Newman Center. It was a fitting way to say farewell to Mike on the USD campus, where he worked for the past 20 years. Thank you to the Eagles Club for the reception and benefit for Mike, words can never express our gratitude to all who showed their support.
