A. Public progress hearing for Community Development Block Grant workforce Training

Janice Gravning, Planner with SECOG, reported that SECOG assisted the City and the VCDC as sub-applicant in applying for a Community Development Block Grant to expand the welding training program. Janice stated that the grant was approved for \$32,500 for welding equipment, instructor grant administration. The and grant requires a local match of \$6,000, which is being provided by Masaba Mining as a partner with the VCDC, for consumable supplies for each training class. Janice stated that to date the equipment has been purchased and the first class under the grant is in process. The program is to provide welding training with the current class of 10 students will be completed in December. The equipment acquired with the grant will allow for increased class size receive any public comment on the grant program and she requested all present to sign the

sheet being passed around. Mayor Powell stated that this was a public hearing to receive any public comment on the job training program. Upon hearing no additional public comment, Mayor Powell thanked Janice and the VCDC for their assistance in expanding this training program and closed the public hearing. No

Legal and Public

Notices declared the Powell motion

adopted. D. Annual liquor and wine li-

cense renewals

Mike Carlson, Finance Officer, reported that this was the time set for the public hearing for the annual liquor and wine license renewals. The notice of hearing and the Police Chief's report is included in the packet. From the police report, there are four license holders that had failed compliance checks. As required by ordinance the management plans from the Fraternal Order of Eagles, Secure Success, LLC, Blue, Inc and Bonnie Rowland are included in the packet. Mike read the list of license applications requesting renewal.

Mike noted that, for City Council actions, the Council may first want to consider the Fraternal Order of Eagles licenses to allow Alderman Osborne to participate in the discussion on the remainder of the licenses. The second action would be to consider the renewal of the retail on-sale liquor license for the Old Lumber Company, Inc for the Old Lumber Company Bar and Grill at 15 Court Street. When the license was transferred from John Grunewaldt to the Old Lumber Company, Inc., on April 2, 2012, the motion to approve included the following condition "approval of the transfer of the on-sale liquor license to the Old Lumber Company, Inc. for the Old Lumber Company, at 15 Court Street for the interior of the building, at said location, as inactive pending final inspection of the building as being suitable to be occupied for this type of business". Farrel Christensen, Building Official, on October 4th issued a temporary occupancy permit limited to the main floor only and, as such, the business is currently limited to just the main floor not the second floor or basement. The City Council will need to determine if it wants to include the "interior of the structure" condition on the license. The third action would be to consider the renewal of the balance of the on-sale retail liquor licenses, on-off sale wine licenses, package wine (Farm Winery) license and municipal package off sale license.

Alderman Willson moved approval of the reissuance of the on-sale retail liquor license for the Fraternal Order of Eagles for Eagles Club at 114 W. Main. Alderman Zimmerman seconded the motion Alderman Osborne requested to abstain. Motion carried 8 to 0. Mayor Powell declared the motion adopted.

Alderman Willson moved approval of the renewal of the on-sale retail liquor license for the with the next class scheduled for Old Lumber Company, Inc for the the first quarter of 2013. Janice Old Lumber Company Bar and stated that the public hearing is to Grill at 15 Court Street with the restriction that the license is for the interior of the building at 15 Court Street noting that the building official has issued a temporary occupancy for the first floor which may be expanded to the second floor and/or basement pending inspection by the building official that said location is suitable to be occupied for this type of business. Alderman Zimseconded the motion. merman Motion carried 9 to 0. Mayor Powell declared the motion adopted.

Alderman Osborne moved ap-
