# Sand Creek Post & Beam to expand in North Sioux City

Sand Creek Post & Beam, a Nebraska-based manufacturer, will expand into South Dakota with a location in North Sioux City. The company is expected to create 20 jobs in North Sioux City over the next three years.

Sand Creek Post & Beam is the leading manufacturer of custom-designed, wood post-and-beam barn kits. The company features traditional barn styles, building barns that are authentic both in design and materials. Currently, Sand Creek Post & Beam barns stand proudly in 49 states and Canada.

"I couldn't be more pleased to welcome Sand Creek Post & Beam to South Dakota," said Gov. Dennis Daugaard. "The decision of such a well-known, progressive company to locate in South

Dakota speaks volumes about our favorable business climate."

In 2011, Sand Creek Post & Beam was named Nebraska Small Business of the Year by the U.S. Small Business Administration, and the firm was selected as one of the fastest-growing, privately held companies in the nation by INC. magazine in each of the last four years.

"Barns are an important part of our shared Great Plains heritage," said Sand Creek Post & Beam President and CEO Len Dickinson. "Currently, most of our timbers come from the Black Hills. We are confident another of South Dakota's great natural resources – its well-trained sales people in the North Sioux City area – will be a natural fit for us and our iconic structures."

The Governor's Office of Economic Development and the North Sioux City Economic Development Corporation were instrumental in assisting with site selection. Sand Creek Post & Beam will be located at 600 N. Derby Lane, Ste 1B, North Sioux City, SD 57049.

Sand Creek Post & Beam has joined with the South Dakota Department of Labor and Regulation to assist in the hiring of qualified candidates for the new positions. Individuals interested in applying for a position at the North Sioux City facility should inquire at the South Dakota Department of Labor and Regulation's North Sioux City office, located at 504 River Drive.

## Top USD scholarships awarded to area students

Area high school graduates enrolled at the University of South Dakota this fall are among the recipients of the university's top scholarships – the George S. Mickelson Scholarship and the Presidential Alumni Scholarship.

The George S. Mickelson Scholarships and Presidential Alumni Scholarships are the most prestigious awards offered by USD, and provide outstanding students with four-year, renewable awards contingent upon the student maintaining the minimum grade point average and meeting all other conditions of the renewal criteria as specified by the award. Valued at \$40,000 over a four-year period, recipients of the George S. Mickelson Scholarship must maintain a minimum 3.5 cumulative GPA and remain enrolled full-time on the

Vermillion campus. Presidential Alumni Scholarships are valued at \$28,000 over a four-year period. Recipients must maintain a minimum 3.5 cumulative GPA and remain enrolled full-time on the Vermillion campus. Students interested in these and several additional scholarships offered

by the University of South Dakota can apply for the 2013-14 academic year at <http://admissions.usd.edu/cost-and-aid/scholarships.cfm>. Area scholarship recipients are Kristina Zalud, Vermillion, Presidential Alumni Scholarship and Lauren Fanta, Yankton, Presidential Alumni Scholarship.

## Governor appoints Jensen to GFP Commission, reappoints Spies

Gov. Dennis Daugaard has appointed Gary D. Jensen of Rapid City to the South Dakota Game, Fish and Parks Commission and has reappointed Jim Spies.

Jensen will succeed Jeffrey Olson of Rapid City, who has served two terms and was not eligible for reappointment.

Jensen, who will join the commission on Jan. 10, is a partner in the Beardsley, Jensen and Von Wald law firm. He received a bachelor of science degree from South Dakota State University in 1975 and obtained

his law degree from the University of South Dakota in 1978. Jensen has been involved in a variety of community activities, including Children's Home Society, the Rapid City Community Health Center and Catholic Social Services.

By statute, this particular opening on the Game, Fish and Parks Commission had to be filled by a West River non-farmer.

Spies, a Watertown businessman, initially was appointed to the commission in 2010.
