

# South Dakota announces 2016 track and field schedule

VERMILLION, S.D.—South Dakota director of track and field/cross country Lucky Huber has announced a 2016 schedule featuring three home meets and trips to Big Ten, Big 12, and Pac-12 schools.

South Dakota opens the 2016 season inside the DakotaDome as alumni return for the Dakota Realty Alumni Meet on Jan. 16.

The two other home meets on the schedule will be held at the new outdoor track facility. Fans can get a first look at the new facility at the USD Twilight on April 19, prior to the Coyotes hosting the 2016 Summit League Outdoor Championships May 12-14.

The Coyotes remain within the Midwest for most of the indoor season, including a pair of meets at in-state rival South Dakota

State, Minnesota's Jack Johnson Classic, the Iowa State Classic, a trip to Colorado for the Air Force Team Challenge, and a tune-up at Nebraska in preparation for the Summit League.

The Yotes will look to capture Summit League titles for the fourth-straight year on the men's side and for the first time on the women's side at the Summit League Indoor Championships hosted by Fort Wayne, Feb. 26-27.

Indoor competition wraps up March 11-12 at the NCAA Indoor Championships hosted by Samford University in Birmingham, Ala. The top-16 individuals in their respective events qualify for the meet.

Road trips to Arizona, Oklahoma, Texas,

and California kick off the Coyotes' outdoor season. South Dakota will face the top competition in the nation at the Clyde Littlefield Texas Relays and the Mt. SAC Relays.

Closer to home, the Coyotes compete at Nebraska's Husker Spring Invite, the Sioux City Relays, Mt. Marty's Twilight Meet, and the Howard Wood Dakota Relays.

South Dakota travels to a pair of regional relay meets leading into the end of the season. The Coyotes race at both the Kansas Relays, held at the site of the NCAA West Preliminaries, and the Drake Relays.

The Summit League Outdoor Championships are to be hosted by South Dakota May 12-14.

Individuals ranked in the top-48 of their

respective events at the conclusion of the outdoor season will advance to the NCAA West Preliminary held in Lawrence, Kan., May 26-28. The first 12 finishers from each event at that meet advance to the NCAA Championships in Eugene, Ore., held June 8-11.

South Dakota will also host three Olympic Trial qualifier meets during May and June. Qualifiers for the U.S. Olympic Trials will compete July 1-10 at Hayward Field in Eugene, Ore.

The complete 2016 track and field schedule is available on GoYotes.com.

## Christmas At The Capitol

A column by Gov. Dennis Daugaard:

South Dakotans have always known how to make Christmas special. In 1881 the people of Aberdeen decided to celebrate the holiday season by putting up a community Christmas tree. The locals thought the tree would be a nice way to commemorate their first Christmas as a community. All was going according to plan until the railroad agent who had been commissioned to supply the community's Christmas tree showed up with a disappointing delivery. He arrived with a tree that was a measly five feet tall.

Determined to build a more extravagant display, the people of the town gathered in a local store at the corner of Third and Main. They found a large piece of timber and nailed it to the floor and ceiling. Then they attached narrow strips of wood and pieces of evergreen from the real tree to the large piece of timber. They topped off their clever construction with strings of popcorn and cranberries. Thanks to their imagination, the Aberdeen community ended up with a much larger, grander tree than the original.

One hundred thirty-four years later, another group of South Dakotans has been using their creativity to build a special Christmas display. The decorations are slightly more elaborate than the ones in that Aberdeen store. The Capitol display consists of nearly 100 trees – the tallest of which is 29 feet – and the theme for the decorations this year is "Christmas around the World."

Many volunteers have devoted precious hours to decorate the Capitol building for the holidays. As always, they have done a great job.

When I walk into the Capitol building each morning from now until after Christmas Day, I'll be greeted by the rich aroma of pine trees and the sparkling reflection of Christmas lights on the ornaments that decorate those trees. Just walking down the hallway puts me in the Christmas spirit.

I hope you will find time this holiday season to come to Pierre to experience Christmas at the Capitol. The display is open from 8 a.m. to 10 p.m. every day of the week through Saturday, Dec. 26.

I hope to see you there!

## Fontanini Bethlehem Village on Display at Mount Marty College

YANKTON, SD – November 25, 2015 – A stunning Fontanini Bethlehem Village consisting of more than 400 pieces will be on display beginning November 30 through the Advent season. The village can be viewed in the MMC Boardroom, located in the Scholastica Learning Center (SLC). Viewing will be open from 2:00-6:00 p.m. on Monday, Nov. 30 through Friday, Dec. 4 and Monday, Dec. 7 through Friday, Dec. 18, with the Friday showings ending at 5:00 p.m. Special Saturday viewings will also be available on December 5, 12 and 19 from 1:00-4:00 p.m. The public is welcome to view the village at no cost.

Over ten years ago, the Fontanini Bethlehem Village was donated to the College by Father Terry Weber of

the Sioux Falls Diocese. The whole village took volunteers just over 40 hours to complete the set up. This year's display will consist of a guided tour through key points in the Christmas story.

"This is much more than a nativity scene," says Director of Campus Ministry, Sr. Maribeth Wentzlauff. "This is a depiction of what life in Bethlehem would have looked like at the time of Jesus's birth. It is an opportunity for the people in the community to further understand what it was like during another period of time and reality."

For more information on the village or to arrange for a group visit please contact Mount Marty College Events Coordinator, Wyatt Yager at events@mtmc.edu.

## U.S. Attorney Randy Seiler Discusses Need for Rural Services in State

SIoux FALLS, S.D. – U.S. Attorney Randy Seiler will participate in the announcement of grants totaling \$25,000 from the HopeLine® from Verizon program to the South Dakota Network Against Family Violence and Sexual Assault (The Network) to further rural advocate's victim outreach throughout the state of South Dakota.

WHO: U.S. Attorney Randy Seiler  
Krista Heeren-Graber, executive director, The Network  
Eric Martinson, Verizon

WHEN: Wednesday, Dec. 2  
10:00 a.m. CST

WHERE: Room 10  
Sioux Falls Convention Center  
1201 Northwest Ave. in Sioux Falls, S.D.

BACKGROUND: The announcement will be made during the first day of the Dec. 2-4 statewide Sexual Violence Institute hosted by The Network with more than 250 attendees. The grant announcement will detail the critical need for rural advocates in South Dakota to provide outreach, victim services, networking, collaboration and safe confidential response for victims/survivors and their families, and how this grant will help in those areas. Rural advocates representing 12 programs in South Dakota will be at the news conference.
