Sanford Vermillion raises over \$19,000 for United Way

VERMILLION, S.D. - Rachel Olson, Ancillary Services Manager and United Way of Vermillion Board member presents a check in the amount of \$19,591.00 to Kelsey Collier-Wise, Executive Director, United Way of Vermillion. Funds were raised through an in-house campaign amongst the staff throughout the medical center.

At the Campaign Kick Off held in August, Collier-Wise shared information with staff regarding all the organizations that benefit from United Way funding and the impact these dollars make within the community.

Olson, chair for the Sanford Vermillion United Way campaign set several goals including a total campaign of \$18,601 and 90 employee donations. The campaign well exceeded goal and employee participation came very close with 87 pledges.

"We continue to encourage United Way

pledges from staff. I am so proud of the commitment from our staff every year. Beyond the financial support, we also have many individuals who share their time and talents through volunteering at many of the local organizations supported by United Way of Vermillion," said Olson.

"Every year, we're overwhelmed by the generosity of Sanford and its employees. Thousands of people in our area will benefit because of their commitment to giving back to the community," said Collier-Wise.
