## 24th annual biz job fair

SIOUX FALLS – The South Dakota Association of College Career Centers, SDACCC, will host the 24th annual Business Industry Government (BIG) Job Fair on Tuesday, Feb. 25, at the Sioux Falls Convention Center.

The fair will run from 10 a.m. to 4 p.m. and will provide an opportunity for employers and job seekers to meet and make connections. The fair is open to the public, a \$10 fee will be charged to candidates at the door.

Students at South Dakota universities and technical schools may pre-register at their college career centers for free.

Employers attending will primarily be seeking candidates with degrees or candidates who are pursuing college or technical school degrees. Most employers will be offering full-time or internship positions.

“The South Dakota BIG Job Fair brings in a wide variety of employers that recruit for both local, regional and national positions. It is the largest career fair in the state of South Dakota and a wonderful opportunity for not only employers, but also for candidates seeking job and internship opportunities,” said Megan Lueders, employer relations chair.

A complete list of employers attending the fair is updated regularly at [www.getgrads.com](http://www.getgrads.com).

April Wilson, environmental services, was selected as the January Sanford Vermillion 2014 PRIDE Employee of the Month. She has been employed here since October 2010.

Nominations for April included the following:

**Personalized Service:** April always asks if we'd like something cleaned.

**Respect:** She knocks on doors prior to coming into the office.

**Innovation:** She is limited on time but does a good job diversifying her work to keep it all cleaned.

**Dedication:** She not only cleans her area but is always willing to help out in the hospital when things get busy.

**Excellence:** She is personable and always has a smile.

**Additional Comments:** People who use the community wellness room wanted to nominate April for all her hard work in there. “The place is always clean and smells good,” they said. The restrooms on second floor are always clean as well. April does a great job and deserves to be recognized for her hard work.

“We appreciate having April as part of our team, she is always willing to help out wherever the need is,” said Joan Reed, environmental services manager, Sanford Vermillion.

April is a native of Vermillion and currently resides in Vermillion with her daughter, Carly. In April's spare time she likes to go four-wheeling and spend time with her daughter.

## Governor seeking interns for summer term

PIERRE – Gov. Dennis Daugaard is currently seeking applications for two summer 2014 Governor's Office Internships in Pierre. The positions will be paid and run from May to September 2014.

Governor's office interns have the opportunity to work at the

highest level of state government, learning about and preparing legislation to be introduced in the next legislative session.

Interns' duties will depend on interests and strengths. Typical duties will include aiding the governor's general counsel, conducting

policy research, preparing policy briefings and staffing the governor, lieutenant governor and first lady.

The positions are open to all undergraduate or graduate-level students. Preference will be given to South Dakota residents attending South Dakota colleges or universities.

Students who are interested in receiving credit should also apply. The governor's staff is open to working with individual universities and professors to secure credit for the internship program.

Interested students should submit a resume, cover letter and two

letters of recommendation by March 1, via e-mail, to [Patrick.Weber@state.sd.us](mailto:Patrick.Weber@state.sd.us).

For more information on duties or logistics, visit <http://sd.gov/governor/Internship> or contact Patrick Weber at [Patrick.Weber@state.sd.us](mailto:Patrick.Weber@state.sd.us) or (605) 773-5999.

## Help Wish Kids take flight by donating unused air miles

SIOUX FALLS – For the third year, a statewide campaign for unused airline miles will help make wishes come true for South Dakota kids with life-threatening medical conditions.

The Feb. 27 effort will benefit Make-A-Wish® South Dakota, enabling the chapter to grant travel wishes to kids across the state.

More than 65 percent of the wishes granted by Make-A-Wish require air travel, the largest expense of the chapter's annual wish budget. Miles from Delta, United, and US Airways are accepted.

Once the miles are donated they never expire

and 100 percent of the donated miles stay in South Dakota.

Over the past two years more than 5 million miles have been donated, saving the organization more than \$50,000 in airfare.

Watch KSFY or NewsCenter1 Feb. 27 for more information.

Miles will be accepted that day by calling (800) 640-9198. Miles can also be donated online any time at [southdakota.wish.org](http://southdakota.wish.org).

A minimum donation of 1,000 miles is required for Delta and U.S. Airways and 500 miles for United. To expedite the process, you need to have

your account number and know exactly how many miles you would like to donate.

“Donating frequent flier miles makes a significant difference in helping us to fulfill our mission of granting wishes,” Paul Krueger, president and CEO of Make-A-Wish South Dakota said. “This campaign is a unique way to support the sick kids and families we are serving.”

Krueger said no matter how many miles you donate, the impact is enormous. He said it takes 40,000 to 50,000 miles for one ticket and once your miles are donated to Make-A-Wish

they will never expire.

For travel wishes typically the wish child, his or her parents or guardians and immediate siblings living at home are included in the wish. The largest family that traveled this past year had 10 members.

The statewide effort is made possible by KSFY, NewsCenter1, Midco Connections, and Midcontinent Communications.

Make-A-Wish South Dakota was founded in 1984 to grant the wishes of children between the

ages of 2 1/2 and 18 with life-threatening medical conditions to enrich the human experience with hope, strength and joy. Since its inception, Make-A-Wish® South Dakota has granted more than 1,070 wishes. Seventy wishes were granted last year and more than 60 kids are in the process of receiving a wish. The average cost of a wish is nearly \$7,000.

Visit [southdakota.wish.org](http://southdakota.wish.org) or call (605) 335-8000 for more information.
