

Flooring experts help with homes' finishing touches

When it comes to finding products and services for flooring in Yankton and the surrounding areas, Yankton's oldest exclusive flooring store has your answers. Since 1958, Stewart Carpet Center has been providing residents and other companies with their carpet and other flooring services. From choosing flooring, measuring the areas and all the way through the installation process, you can be sure that your rooms will be professionally completed to your satisfaction.

Doyle and Dorothy Stewart opened their first store in downtown Yankton in 1958. Then in 1961, they took a big gamble and built a brand new building at our current location

at 1803 Broadway, which at that time was on the very outskirts of town.

The naysayers told the Stewarts that people wouldn't drive out of town to buy carpet! Fortunately, those predictions were wrong, and for 55 years Stewart Carpet has built a reputation for offering quality products and personal service.

During that time, there have been some changes in the

business. In 1980, Doyle and Dorothy retired and sold the business to their son, Gregg and his wife, Mary Lee. In 1990, because of the popularity of hard surfaces in flooring, the Stewarts expanded their inventory to include other floor coverings such as wood, laminate, vinyl and tile. Times have changed and so has the flooring industry. Stewart Carpet Center has made the necessary adjustments to keep up with the current trends in flooring.

Gregg Stewart has over 40 years of flooring installation and Mary Lee has over 30 years of

experience in customer service and product knowledge. Your flooring is in good hands! We offer measuring, estimates and in-home consultations at no charge.

Stop in and check out our large selection of in-stock carpet, vinyl, tile, and hardwood flooring. We look forward to serving you.
