Cadet Programs and Aerospace Education. She is committed to continuing the wing's efforts of reaching out to city, county, state, and national agencies across the state of South Dakota as a valuable resource of choice for emergency services. She also desires to extend a hand to youth organizations and schools across the state to expand our youths' opportunities in leadership and aerospace education.

Civil Air Patrol was founded December 1, 1941 just days before

the bombing of Pearl Harbor. CAP

was chartered by Congress to per-

Emergency Services, Cadet Pro-

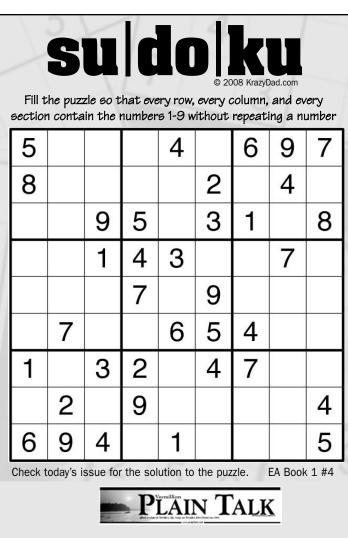

grams, and Aerospace Education

form three missions for America;

opportunities for cadets and adults. CAP is always looking for and needs adults, who may want to work with youth, serve their community, state and nation through emergency services and aerospace education. It is not necessary to be a pilot, or even like flying. There are many opportunities for those who just want to make a difference.

The Aerospace Education Program provides opportunities for

youth to receive hands on training in both powered and glider aircraft including a model rocketry program. Cadets have opportunities to pass on their knowledge of aerospace to their communities. Civil Air Patrol is a 501 (c) 3 non-profit organization. More information on CAP can be found by going to the following Web sites: www.sdcap.us, www.ncr.cap.gov, or www.gocivilairpatrol.gov.

Major Teresa Schimelfening Center at Ft. Rucker, Alabama;

to the organizations membership and public. CAP became the official civilian Auxiliary of the U.S. Air Force in 1948. CAP performs 90 percent of Commendation and Army inland search and rescue operations saving lives nationwide. This

past year South Dakota Wing members volunteered their skills and hours to help out during the spring flooding in both North and South Dakota. The wing extensively uses aerial photography providing government agencies with disaster assessment unmatched by any other civilian agency.

Although CAP's membership is almost entirely volunteers from local units up to its National Commander they are professionals. They are constantly training throughout the year to assist in emergency operations. The Cadet Program provides

youth, ages 12-21 the opportunity to serve their communities and state, learn about general aviation through flight training and field trips, and to gain leadership Air Force Academy. Major Schimelfening is lookskills as they progress through

the ranks with ever increasing responsibilities and challenges. CAP also has scholarships, regionplus membership and CAP's misal, national, and international
