New Roth Conversion Rules for 2010
Starting in 2010, the IRS has relaxed the rules with regard to conversions of traditional IRA's or 401(k) plans to a Roth IRA. Prior to 2010, any conversions to a Roth IRA would be 100% taxable in the year of conversion. For 2010 conversions, the taxable income can be spread equally between tax years 2011 and 2012. For more information about this or any other tax related questions, please contact Dave or Alli at Williams & Company.
