THANKS FOR THINKING OF SOUTH DAKOTA'S ELECTRIC CUSTOMERS

WE APPRECIATE REP. HERSETH SANDLIN'S STANCE ON WAXMAN-MARKEY

On Friday, June 26, the U.S. House of Representatives voted on H.R. 2998, formerly H.R. 2454, the American Clean Energy and Security Act of 2009, known as the Waxman-Markey bill.

Rep. Stephanie Herseth Sandlin stood up and considered her constituents. She saw how the bill could lead to job loss and higher energy prices in her state. She rejected Waxman-Markey.

Rep. Herseth Sandlin deserves our thanks for weighing the full scope of the bill and standing up for South Dakota families and businesses.

While the bill unfortunately passed the House of Representatives, it did so by a very small margin. It's not too late to stop this bill. Contact your Senators, and voice your concerns.
