Commissioner Wilson & Packard and Cindy Aden/Zoning Administrator gave updates on the Zoning Ordinance Review Committee. Contrary to rumors, few major revisions are being discussed. Most recommendations will be aimed at clarifying language and addressing issues not contemplated when the Zoning Ordinance was last updated.

Richard Sorensen met with the Board to file a formal complaint about ditching being done without the proper permit and hearings, located in Section 10 of Fairview Twp. Commissioner minutes show the same area was denied a permit in 1991. The open ditching has altered the flow of water which is against the law to do and is causing damage to Sorensen's property. The States Attorney will research the complaint and report
