Sen. Thune's office accepting fall internship applications

Sen. John Thune is currently seeking hard-working college students to serve as interns in his office in Washington, D.C., as well as in his offices in Aberdeen, Rapid City and Sioux Falls.

Interns in Thune's state offices will participate in constituent service and state outreach activities, while students in the Washington, D.C. office will have the opportunity to

witness the legislative process, give Capitol tours, and attend Senate votes and hearings. Both in-state and Washington, D.C. internships will allow students to work closely with constituents, hone their research and writing skills, and learn a multitude of valuable office skills.

"Interning in a Congressional office provides students with a front row view of the legislative process and

can serve for many as an excellent introduction to public service," said Thune. "I encourage all interested college students to apply for this rewarding experience."

Thune is a member of the Senate Committees on Agriculture, Nutrition, and Forestry; Budget; Commerce, Science, and Transportation; and Finance.

College students who are

interested in interning in Thune's Washington, D.C. office should submit a resume and cover letter, by July 31, to:

Sen. John Thune Attn: Jen Kelly 511 Dirksen Senate Office Building

Washington, D.C. 20510 By fax to: (202) 228-5429. College students who are interested in interning in Thune's Sioux Falls, Rapid City or Aberdeen offices should submit a resume and cover letter, by July 31, to:

Sen. John Thune
Attn: Robin Long
320 North Main Avenue, Suite B
Sioux Falls, S.D. 57104
By fax: (202) 334-2591.
