GENERAL INFORMATION

Kindergarten and ALL other students enrolling in the Vermillion School District for the first time are required by South Dakota law to present a copy of their birth certificate and PROOF of immunization records. According to South Dakota law any person responsible for a child of school age, shall cause the child to regularly attend school.

Vermillion School District Welcomes Students to a New School Year

Student registration for the new school year will be held at all schools on August 12 and 13, from 9:00 a.m. to 1:00 p.m. Payment for meals may be made and free & reduced meal applications are available at the individual schools during registration. Bus passes and activity tickets may be purchased at the district office. Activity tickets may also be purchased at the high school office.

Teachers will have meetings on Monday, August 19 in preparation for the students return to school. The first day of school will be Tuesday, August 20, which will be a full day of school. All services will be provided beginning the first day including transportation and meal programs.

Everyone is encouraged to visit the school district web site on a regular basis at www.vermillion.k12.sd.us for school district information. This site provides up-to-date information on school events as well as the district master calendar, policies, and the student management and information system where parents may check their student's progress. Daily announcements for middle and high school are also included on the Infinite Campus system.

Parents are encouraged to update telephone and e-mail contact information during registration. This information will be used to assist in communication with parents regarding school matters or in case of emergency. Also, the contact information will be used with the SchoolReach System whereby weather and school schedule changes may be communicated directly to families.

The Vermillion School Board continues the commitment to develop the district technology system for students and staff. iPads will be disseminated to all high school students at the beginning of the school year offering a one-to-one technology environment. In addition to the current technology labs and classroom computers, the middle school will implement iPad carts and

each elementary classroom has two iPads for student use. Audio-enhancement systems are in place in all elementary classrooms as well as in various classrooms in the middle school.

The American Bus Corporation begins its fourth year of service to students and families in the school district with Shayne Ludwig as general manager. Rural parents of students new to the school system who wish to ride the bus should contact Shayne at 605-624-8888 or 605-659-0178. The transportation service offers modern route buses and designated activity buses. American Bus Corporation also has a mini-bus to provide safe and accessible transportation for special needs students.

The major facility upgrades this summer include installation of a new roof over the high school classroom and main gymnasium areas. Additional facility upgrades include refinishing the high school gym floors and installing new floor tile in the Jolley School gymnasium. In an effort to enhance communication, all Austin and Jolley classrooms will be equipped with telephones and a new intercom system. Also, general security measures were implemented in all school buildings this summer to help provide a safe atmosphere for students and staff. Maintenance personnel have been hard at work cleaning, waxing, and painting throughout the summer in preparation for a new school year.
