LAST CHANCE TO SIGN UP
2011 POWER SUPPLY TOUR
JULY 25-26-27
Clay-Union Electric, Bon Homme Yankton Electric and Union County Electric have again teamed to offer this Power Supply Tour to its members (July 25-27). We feel it is an important tool in understanding how the power supply system operates. The Power Supply Tour provides members with an understanding of how electricity is generated, transmitted, and distributed to their homes. For this reason and because of the cost to offer this program. We're looking for those members that haven't attended the tour before. We urge you to take advantage of this enjoyable and educational opportunity. To make it even more fun, get together with some of your friends and neighbors and take the trip together. At this time we are very short on members signing up for the tour. So let's get signed up and guarantee your reservation for this fun and educational program. To reserve your seat (first come first reserved), call your represented cooperative - Clay-Union Electric 605-624-2673, Union County Electric 605-356-3395 and Bon Homme Yankton Electric 605-463-2507.
