

The Emblem of the Land We Love

As we celebrate the Fourth of July with barbecues, fireworks and revelry, it's important to remember the true meaning of this important holiday. On the birthday of our nation, we celebrate freedom and democracy while saluting the heroic efforts of those who have fought for and defended our liberty since July 4, 1776. We're proud of our country, our people, our history and our standing as a symbol of hope, freedom and democracy to people around the world. Happy Birthday, America, and may you continue to prosper and stand strong through future challenges, as you have so many times in the past.

Remember to proudly display your American flag on July 4!
