

Invitation to Savings

Our employee owners would like to invite you to our store to take advantage of all of our services and selection. We want to be the only place you shop. We understand that with a busy lifestyle, you don't have time to shop multiple locations for the best values.

Did you know we are competitively priced with our competition. We offer the best at fresh, quality, selection AND value. And we do all of it while giving the very best at service and a helpful smile in every aisle. We are so confident you will agree we are priced right that we are also giving out a \$10.00 gas gift card for every \$100.00 you spend in groceries*. Great service, competitive prices, more variety and \$10.00 in free gas*. Why shop anywhere else?

We are working hard at being the best grocery store in Vermillion, and I would like your help to get better. If there's is a reason you shop somewhere else in town, let me know and I will do my best to win you over.

Call, e-mail or stop in and see me.
