PRIDE employee

Pictured are Cindy Benzel, human resources manager and Grant Nielsen, Employee of the Month, Sanford Care Center Vermillion (Submitted photo)

Grant Nielsen, CNA/med aide, Sanford Care Center Vermillion, was selected as the Sanford Vermillion June 2013 PRIDE Employee of the Month. He has been employed there since June

Nominations for Nielsen included the following:
Personalized service: "Grant is so polite and caring."

Respect: "He is respectful toward everyone – staff and residents.

Innovation: "Grant is a hard worker and always willing to pick

up shifts and help in every area." **Dedication:** "He is always upbeat with good things to say." Excellence: "Overall, I love"

when he's here working because he gives such great care.

Additional comments: "Nothing seems to ruffle him and he is always so patient and kind. He always has a pat or a gentle touch for anyone's troubles."

'Grant is very good with all the residents. He remains very calm all day long. He gets along with everyone and is committed to residents and the staff he works with," said Gayle Matzke, director of nursing, Sanford Care Center Vermillion.

Nielsen is a native of Brunswick, NE, and currently lives in Vermillion. He enjoys exercising and spending time with his friends.

Grant Nielsen is Sanford SD economic development rograms to launch July 1

The Board of Economic Development is set to launch its four new economic development programs on July 1.

The programs are a result of SB 235, which was passed by the state legislature earlier this year. The new legislation, frequently referred to as the "Building South Dakota" legislation, focuses on education, housing, infrastructure, local economic development efforts, and large

and small project needs. "With the passing of SB 235, the board has created four new programs – the **Economic Development** Partnership Fund, the Local Infrastructure Improvement Grant Fund, the Reinvestment Payment Program, and the South Dakota Jobs Grant Program," said Pat Costello, commissioner, Governor's

Office of Economic Development. "These programs are the direct result of bi-partisan efforts to boost economic development in South Dakota."

The Economic Development Partnership Program provides for grants to non-profit development corporations, municipalities, counties, or other political subdivisions on a matching basis to fund new staff, elevate existing part-time staff, commence or replenish local revolving loan funds, and for equipment and training needs for the purpose of developing or expanding local, community, and economic development programs.

The Local Infrastructure Improvement Grant Program provides for grants to political subdivisions or local development corporations to

construct or reconstruct infrastructure for the purpose of serving economic development projects.

Both of these programs will accept the first round of applications July 1-31.

The Reinvestment Payment Program, which will accept applications on an ongoing basis, provides for reinvestment payments to projects in excess of \$20 million or with equipment upgrades in excess of \$2 million. The reinvestment payment

awarded may not exceed the actual South Dakota sales/use tax paid on the project and awards are intended for projects that wouldn't have occurred without the reinvestment payment. The South Dakota Jobs

Grant Program, which is funded by the 5 percent of the

Building South Dakota Fund allocated to the Revolving Economic Development and Initiative Fund for projects less than \$20 million will also accept application on an ongoing basis.

This program is the inverse of the Reinvestment Payment Program and provides for grants to projects less than \$20 million or with equipment upgrades less than \$2 million.

"These new programs are going to be great for economic development in South Dakota, said Costello. "We are looking forward to using these new tools to continue to create iobs and foster business

development within the state." For more information on the programs, please visit www.sdreadytowork.com.

The University of South Dakota

HVAC Specialist

The University of South Dakota is seeking an HVAC Specialist. Successful applicant will have significant experience in industrial level HVAC systems and equipment. Preference will be given to applicants with experience working with food service equipment and the candidate must have a Freon certificate or be able to obtain one within 6 months of hire. Applicant must also have a valid driver's license or be able to obtain one. Working hours are Monday – Friday 7:30a.m. to 4:00 p.m.

> For more details and to apply, go to https://yourfuture.sdbor.edu

Grounds Keeper

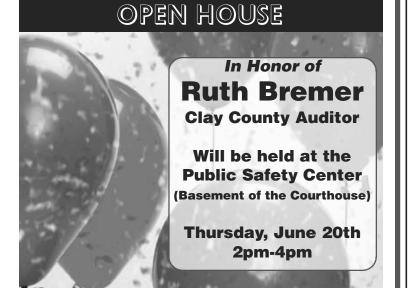

The University of South Dakota

The University of South Dakota is seeking a Grounds Keeper to perform responsibilities such as mowing, trimming, landscape maintenance, snow removal, events set up, various freight/furniture moving, and trash/debris clean up. The position is responsible for providing the USD campus community with a safe and pleasing environment.

Successful applicant will have the ability to work outdoors in all kinds of weather and knowledge of, and ability to use, landscape and grounds tools and machinery. Knowledge of horticulture, landscaping planning, and/or pesticide application is a plus. Applicant must have a valid driver's license or be able to obtain one.

> For more details and to apply, go to https://yourfuture.sdbor.edu
