Presentation on soil June 27

On Thursday, June 27 at 7 p.m. in the Vermillion Public Library, Master Gardener Dean Spader will present: "Ancient Soils and Modern Science: How Not to Treat Your Soil Like Dirt.

Numerous scientific disciplines using electron microscopy are discovering why "many modern

agricultural and urban landscapes mean dead dirt."

The questions then arise: What is killing our soil? Why is dead soil so compacted with hardpan, and why does it erode so easily? Why are certain weeds and pests taking over? If we want to reverse these

trends, how do we restore life to our dead soil?

The same science is beginning to provide answers to these questions. This presentation will offer two orms of soil management and suggests that one is better for our lawn, garden and farm soils.

Use of this method will conserve the soil at the same time that it produces nutritious food for our consumption.

The presentation is sponsored by the library, and a free book on how to create rich, healthy soil in one's garden will be given in a drawing.

Beresford defeats Grey Sox

Chris Mohr pitched a solid 7 2/3 innings for the Beresford Blues while scattering 13 Vermillion Grey Sox hits to pick up the State Line League victory in Beresford Sunday afternoon.

The game was close until the seventh inning when the Grey Sox defense stumbled behind a gutsy complete-game pitching performance by Vermillion's Rusty Jensen. Wiebers, Frieberg and Palmer paced the Beresford offense with three hits apiece.

The Grey Sox were led offensively by Mike Moran with three hits, while D'Andre Fore. Bo Bruinsma, Denny Kainrath and Travis Lee each collected two hits in the losing effort.

Vermillion plays at Irene Friday night in a non-league contest.
