More Dinners Together

My husband and I enjoy dressing up and going out for dinner. But when my heels started hurting, I visited my Avera podiatrist who helped me choose the best treatment plan. Now, I can pay attention to my date and still wear my favorite shoes.

Talk to an Avera podiatrist if you have pain while:

- Walking or climbing stairs
- Standing for long periods of time
- Bending or flexing your foot
- Wearing certain shoes
