Sunday evening Experience at ONE HOUR is comprised of two primary elements: powerful worship and a life-changing message. Worship at ONE HOUR is led by a talented live band in a style that is consistent with today's culture and a relevant teaching message from LifeChurch.tv's senior pastor, Craig Groeschel, via video broadcast. The worship is intense and the teaching is challenging but the environment will be relaxed and casual. ONE HOUR on the USD Campus at the MUC, 6:30pm Sundays! www.one-hour.org

The Game Fish and Parks Open House will give the public the opportunity to converse with Department employees from 5-7 p.m. with a short presentation at 5:15 p.m. There will be representatives from the Department from the Parks Division and the Wildlife Division that will be glad to sit down one on one and discuss issues that are brought to them from the public. The presentation will consist of a general overview of game, fish and land issues in Yankton County, paddlefish management goals, recent land acquisitions, SD Parks and summarizing with waterfowl management in the respective area. If there are questions regarding this open house, please call Wildlife Conservation Officer Sam Schelhaas at 605-668-2985. The discussion will begin with a presentation by John Kanta, Regional Wildlife Manager for the western part of SD. John will offer some basic information on mountain lion history and management. He will also discuss some of the findings from research conducted in the Black Hills. John will also outline the Department's mountain lion management plan and solicit input from attendees as to what they feel should be included in the plan and how they feel mountain lions should be managed in SD. A few words from these Broadcaster advertisers:

I can tell you the minute my ad starts to run in the Broadcaster by the amount of calls that I receive for any open apartment units that I may have, the response is pretty close to instantaneous.

The Broadcaster advertising department is wonderful at taking our ideas and creating an ad that we like with minimal guidance. They do a great job at reading our minds!

Todd's Electric Service

I have been using the Broadcaster as an integral part of my advertising program because I get results. The business card size ads have generated many calls and netted a large percentage of my clients.
