Principle Residence Energy CREDITS REINSTATED

Economic Stimulus legislation reinstated the credit for energy efficient improvements made to a taxpayer's principal residence in 2009 and 2010. The credit has been increased to 30% of qualifying purchases and the maximum credit has also been increased to \$1,500.

To see what types of expenditures qualify for this credit, or for any of your other tax related needs, contact Dave or Alli at Williams & Company for a no obligation consultation.

We Appreciate Our Carriers!

Thank You Doug

This week we recognize Broadcaster carrier Doug Moritz and express our sincere appreciation for his service and dedication.

Doug has been a Broadcaster carrier for one year. He is active in fundraising for the Friends of the National Rifle Association in order to help promote the shooting sports.

When asked what he enjoys most about being a Broadcaster carrier, Doug said he really enjoys meeting all the nice people along his route.

We thank Doug Moritz for bringing our Broadcaster readers their paper every week and for being a part of the Broadcaster family.

The paper Southeastern South Dakotans have depended
