A few words from these Broadcaster advertisers:

I can tell you the minute my ad starts to run in the Broadcaster by the amount of calls that I receive for any open apartment units that I may have, the response is pretty close to instantaneous.
Mandy Huber

The Broadcaster advertising department is wonderful at taking our ideas and creating an ad that we like with minimal guidance. They do a great job at reading our minds!
Todd's Electric Service

I have been using the Broadcaster as an integral part of my advertising program because I get results. The business card size ads have generated many calls and netted a large percentage of my clients.
