Announcements:

- Mentors needed: The Clay-Union Foundation matches youth aged 5-17 in Clay and Union County, and needs to locate mentors to match with youth. In Vermillion, a 14-year-old boy would like to have an adult male friend, and a 16-year-old girl would like an adult female to spend some time with her.

The program also has a 12-year-old boy near Jefferson who would enjoy outdoor activities and just spending time with an adult male. The volunteers spend 2 hours/week with their matches, and there are benefits for both the adults and youth in being in a match. Please contact John Gille at (605) 421-5050 or e-mail jgille60@yahoo.com for more information on the program, and to discuss being a strong role model for these youth. The Clay-Union Foundation is also seeking program sponsors and businesses that would like to host a tour of their facilities for the members, and John can also be reached at the contacts above.
