

2010 Legal and Public Notices

Missouri:Elk Point Aquifer (110 feet deep) located in the center of the SW 1/4 Section 32 for irrigation of 142 acres located in the SW 1/4 Section 32; all in T93N-R53W.

Pursuant to SDCL 46-2A-2, the Chief Engineer recommends APPROVAL of Application Nos. 7621-3 and 7622-3 because 1) unappropriated water is available, 2) existing rights will not be unlawfully impaired, 3) it is a beneficial use of water, and 4) it is in the public interest. In accordance with SDCL 46-2A-23, the Chief Engineer will act on these applications, as recommended, unless a petition is filed opposing the applications or the applicant files a petition contesting the Chief Engineer's recommendations. If a petition opposing the applications or contesting the recommendations is filed, then a hearing will be scheduled and the Water Management Board will consider these applications. Notice of the hearing will be given to the applicant and any person filing a petition.

Any person interested in opposing or supporting these applications or recommendations must file a written petition with BOTH the applicant and Chief Engineer. The applicant must file a petition if contesting the Chief Engineer's recommendations. The Chief Engineer's address is "Water Rights Program, Foss Building, 523 E Capitol, Pierre SD 57501 (605 773-3352)" and the applicant's mailing address is given above. A petition filed by either an interested person or the applicant must be filed by March 18, 2013.

The petition may be informal, but must include a statement describing the petitioner's interest in the applications, the petitioner's reasons for opposing or supporting the applications, and the signature and mailing address of the petitioner or the petitioner's legal counsel, if legal counsel is obtained. Contact Eric Gronlund at the above Water Rights Program address to request copies of information pertaining to these applications. Steven M. Pirner, Secretary, Department of Environment and Natural Resources. Published once at the total approximate cost of \$32.27. Published: March 8, 2013

TUMBLING DOWN

The old Bunyan's was demolished the morning of March 1, taking away one of Vermillion's long-time watering holes. A new Bunyan's opened on Dec. 22 in a building constructed behind the old one. The new building also houses the Chop Shop, a hair salon.

Clay-Union charity run is March 31

Outdoors enthusiasts have an opportunity to participate in a short one-mile run, walk or stroll and help support the Clay-Union Foundation.

The "mentorship mile" event will be held on Sunday, March 31, and will begin at Cottonwood Park at noon, with the registration in the soccer field complex parking lot. Prizes will be awarded to the first three finishers in both men's and women's category and includes all ages.

Register prior to noon to participate, and walk-ins are welcome. The event registration is \$10, and may be paid on-line or that day.

The running event registration is at <http://www.allsportcentral.com/Eventinfo.cfm?EventID=50083>.

Registration can be done online, and the day of the event. A meal will be provided for all participants, at 12:30 p.m. and all proceeds from the event will be used to support the local mentoring program, which is in its 16th year in Clay and Union counties.

For more information, contact John Gille at (605) 421-5050 or jgillerrsd60@yahoo.com, or e-mail Dusty.Ginsbach@usd.edu.

Meals will also be available after the event to non-participants and the public.

Pump 'N Pak of Vermillion, Classic hits 106.3, and ESPN radio 1570 are major sponsors of this event.

Gas prices down slightly

Average retail gasoline prices in South Dakota have fallen 4.1 cents per gallon in the past week, averaging \$3.61/g yesterday, according to GasBuddy's daily survey of 628 gas outlets in South Dakota.

This compares with the national average that has fallen 2.8 cents per gallon in the last week to \$3.70/g, according to gasoline price Web site GasBuddy.com.

Including the change in gas prices in South Dakota during the past week, prices yesterday were 6.2 cents per gallon higher than the same day one year ago and are 30.8 cents per gallon higher than a month ago.
