**Announcements:**  
Vermillion High School Needs Your Help: The mission of the Vermillion School District is "To empower all students to maximize their success in our global community."

With this in mind, the state is mandating additional offerings for graduation starting in the fall of 2013 to include some sort of Senior Experience. This might take the form of becoming a Mentor or providing Job Shadowing and Internship opportunities.

In order to assist the District with the implementation and sustainability of such a program, we are requesting adults and businesses in the community to please take a moment to fill out this quick survey. This will help us know of opportunities to give every student "the right opportunity and responsibility to learn academics and essential life skills to prepare them to live successfully in an ever changing world." Thank you in advance for your participation.

The survey is available at <http://vermillion.k12.sd.us//cms/module/selectsurvey/TakeSurvey.aspx?SurveyID=114> OR visit our Web site at [www.vermillion.k12.sd.us](http://www.vermillion.k12.sd.us) and under Headlines click on Parents/Community -
