Legislative report:

Session ends amid flurry of activity

By Sen. Tom Jones
District 17

The final week of our 2013 session has finished in a flurry of bills, amendments, and monetary decisions beginning on Monday and ending Friday.

In the Senate Appropriations Committee on Monday, we passed HB 1060, which we "back-filled" the 2012-13 fiscal year. Many dollars were used to pay debts occurred during the year that were not in the original bill.

One of the major adjustments that was made was taking out of the General Fund \$5 million that was to pay for two corporations that enlarged or just entered South Dakota. Instead, these obligations are to be paid from the "Futures' Fund".

As you already know, these dollars, if taken from the General Fund, would reduce dollars available for two major areas which are dear to me: Education and health care.

We also passed HB 1184 which gave South Dakota a new state park to the tune of \$2 million, \$1.5 million for a new State Game Lodge in Custer State Park, and \$500,000 for an extension to the Mickelson Trail in the Black Hills.

This bill was bumped around quite a bit. The above numbers were decreased to \$1 by the Senate and passed to the House.

The House, in turn, returned the bill back to the Senate Appropriations Committee in its original form. The amendment to the bill passed in the Appropriations Committee 5-1 with me being the dissenting vote. Then the amended bill passed our committee 5-1 with me again being the dissenting vote. These millions of dollars are taken out of the General Fund.

We also had the privilege to meet the first graduates of the JAG Program. This pilot program for South Dakota produced 11 graduates from Wagner that, without this program, quite possibly would not have finished high school, let alone already being accepted into the college. What a big step in the right direction for these individuals.
