# The reasons for Pearle Vision to switch were perfectly clear.

Pearle Vision of Sioux Falls was running into a problem. Their customers were having trouble accessing scheduling and their vision plans, due to Pearle Vision's overworked data connection. So Pearle Vision's owner, Kevin, began looking for a solution. He found it with Midcontinent Business Solutions.™ We offer the region's fastest business data speeds – up to 100 Mbps – with unmatched capacity, meaning

no more waiting on connections for Kevin's customers. And Kevin? He could really see the difference, too.
