

# FUN ON THE FARM

The first grade students from Austin Elementary visited the farm of Erlan and JoAnn Olson on Tuesday. During the day they visited six stations where they learned about farming. Station 1 was hosted by veterinarian Dr. Knutson who showed the students kittens, rabbits and other animals, Station 2 was a hay ride provided by Erlan Olson who explained equipment used on the farm. Station 3 was agronomist Audrey Larson. Station 4 featured Ilene Ierseth who spoke with the students about nutrition. Station 5 featured Holly Swee (S.D. Beed Producers) and Stacey Sorlien (S.D. Pork Producers) who spoke about raising the animals. Station 6 featured teacher Jenny Law and her father demonstrating horse care.
