Extract of the Minutes of Meeting of the City Council of the City of Vermillion, South Dakota

Pursuant to due call and notice thereof, a regular meeting of the City Council of the City of Vermillion, South Dakota, was duly held at City Hall in Vermillion, South Dakota, on Monday, the 16th day of November, 2009 at 7:00 p.m.

The following members were present: Edelen, French, Hoffman, Osborne, Powell, Ward, Willson, Mayor Christopherson

And the following were absent: Meins

Item B. of New Business Resolution authorizing Build America Bonds.

Mike Carlson, Finance Officer, reported that the resolution to issue the electric revenue bonds was adopted in October, 2008 and was referred to a public vote at a special election held in January 2009 where the voters approved the resolution. Since then the process has been proceeding with the design and bid specifications for the construction of the transmission line, and the information has been put together for the issuance of bonds. Dougherty & Company suggested that the City could save some interest costs on the issue if the bonds were rated, and two weeks ago, following the review of the financial information and a conference call with the rating agency, the City was awarded an "A" rating by Standards & Poor's for this bond issue. Since the receipt of the rating, Dougherty & Company proposed to issue the bonds as Build America Bonds. The American Recovery and Reinvestment Act of 2009 creates the new Build America Bond program, which authorizes state and local governments to issue Build America Bonds as taxable bonds in 2009 and 2010 to finance any capital expenditures for which they otherwise could issue tax-exempt governmental bonds. State and local governments receive a direct federal subsidy payment for a portion of their borrowing costs on Build America Bonds equal to 35% of the total coupon interest paid to investors. For the City to issue the Build America Bonds, a resolution would need to be adopted authorizing the change in the bond issue. It is projected by Dougherty & Company that the conversion of this bond issue to a Build America Bond would save the City over one million dollars during the 27 year life of the bond issue. If the bond issue were switched to Build America Bonds, the principal and interest payments would increase and be offset by the 35% refund from the Federal Government. The bond resolution calls for the surcharge rate to generate revenue at least equal to 125% of the actual principal and interest payments. The 35% refund is not considered surcharge revenue in this computation, thus the surcharge portion of the electric rate would need to be increased with the remainder of the rate reduced so the total rate would be unchanged. The 35% interest refund from the Federal Government would be placed into the electric fund to offset this change in the rate allocation. If the Build America Bond resolution were adopted, a revised electric rate resolution would be prepared for consideration at the first meeting in December.

A RESOLUTION AUTHORIZING THE DESIGNATION OF CERTAIN ELECTRIC REVENUE BONDS AS "BUILD AMERICA BONDS"

BE IT RESOLVED by the City Council of the City of Vermillion, South Dakota (the City), as follows:

Section 1. Recitals

1.1. By a resolution adopted by this Council on October 6, 2008, the City has authorized the issuance and sale to Dougherty & Company, LLC (the "Underwriter") of its electric revenue bonds (the "Bonds") for the purpose of financing the cost of acquiring and constructing improvements to its municipal electric utility, funding a reserve fund and paying costs of issuance of the Bonds, pursuant to the terms set forth in an Indenture of Trust to be entered into with The First National Bank of Sioux Falls, Sioux Falls, South Dakota, as Trustee.

Section 2. Build America Bonds Designation

It is hereby found, determined and declared to be in the best interest of the City to authorize the City Finance Officer to irrevocably designate all, or a portion, of the Bonds as "Build America Bonds," electing to have Section 54AA of the Internal Revenue Code of 1986, as amended (the "Code"), apply to the Bonds, and irrevocably electing to have Section 54AA(g) of the Code apply to the Bonds, with the result that the City shall be entitled to the credit provided in Section 6431 of the Code.

Section 3. Effective Date

This resolution shall take effect 20 days following the publication. Dated at Vermillion, South Dakota this 16th day of November, 2009.
