Service and Great Results!

The advertisement for my restaurant, Raziél's, appeared on the front page of the newly re-designed Broadcaster Press on Tuesday, November 15!

The service provided by the Broadcaster Press staff was excellent. They sat down with me and we discussed the content of the ad. They really listened to my ideas concerning my ad's content, and later came back to take photographs that helped illustrate the message I hoped to get across. They were knowledgeable, friendly and fantastic to work with.

The morning after the Broadcaster Press featuring my ad was delivered to local and area homes, my phone was already ringing with someone who had seen it and wanted to book a holiday party with me. Since that morning I've seen continued results from my advertising in the Broadcaster Press.

If you and your business are looking for excellent service and results-oriented advertising, I highly recommend the friendly folks at the Broadcaster Press.
