Dear President and Mrs. Abbott, USD Faculty, Staff, Students, and the entire Vermillion community:

Paul, our entire family, and I thank you for the flowers, the cards, the memorials, and countless other kindnesses showered upon us. However, most of all we are eternally grateful for your prayers and thoughtful words during this extremely sad time. Our faith, family, and friends are certainly what sustain us.

A special thanks to Dr. Timothy Schorn for being Elizabeth's guiding light at USD – she admired you very, very much; to Mr. James Parker for your immeasurable help and support during those first difficult days; to David Lias (Elizabeth's godfather and uncle), Heather Fluit, Matt Hittle, and Melissa Johnson for your lovely and poignant articles that will forever be cherished by our family and friends; to Elizabeth's (and my) sisters at Kappa Alpha Theta – the “bond is eternal”; to Elizabeth's Political Science League friends for enriching her world in ways we never could have imagined; and to the entire USD and Vermillion communities for an outpouring that has deeply touched us.

A good friend shared a quote from C. S. Lewis' *The Last Battle* – one of Elizabeth's favorite books – *And as He spoke He no longer looked to them like a lion; but the things that began to happen after that were so great and beautiful that I cannot write them. And for us this is the end of all the stories, and we can most truly say that they all lived happily ever after. But for them it was only the beginning of the real story. All their life in this world and all their adventures in Narnia had only been the cover and the title page: now at last they were beginning Chapter One of the Great Story which no one on earth has read, which goes on forever, in which every chapter is better than the one before.*

Elizabeth Weathers Lias is now living the Great Story!

And finally, there are many of you at USD and in Vermillion who had a profound influence on Elizabeth whether you were her teacher, her friend, or an admired colleague. From the bottom of our hearts, thank you for embracing Elizabeth while she was here, and for continuing to embrace us now that she is gone. We are so blessed.

Gratefully,
Paul and Tia Esser, and our children
Liz and Ross Owen, Tim and Kimberly Esser, and Jacob Lias
