Removal of Snow & Ice

The City of Vermillion, Code Enforcement Department wishes to remind you that sidewalks are to be cleared of snow and ice within 24 hours following any snow or freezing rain. We are concerned for the health and safety of residents who use public sidewalks. Therefore we are issuing a \$10 service fee to the owner of any property if snow and ice have not been removed within the allotted time frame. If snow and ice is not removed after the follow-up inspection, the cost of the snow removal and a \$25 service fee will be charged to the property owner.

If you plan on being out of town for a period of time, please make arrangements to have your sidewalks cleared. We ask that citizens be courteous to others and remove snow and ice promptly. We apologize for any inconvenience or hardship this may cause.

If you have any questions, contact the Code Enforcement Office at 677-7089
