

# The Firefighter's Prayer

When I'm called to duty God  
wherever flames may rage  
give me strength to save a life  
whatever be its age

Help me to embrace a little child  
before it is too late  
or save an older person from  
the horror of that fate

Enable me to be alert  
to hear the weakest shout  
and quickly and efficiently  
to put the fire out

I want to fill my calling and  
to give the best in me  
to guard my neighbor and  
protect his property

And if according to your will  
I have to lose my life  
bless with your protecting hand  
my children and my wife.
