This unique home is a Mount Vernon Reminiscence design. The main home was built in 1994 and contains a large family room with built in entertainment center; closets and storage space and also has hardwood floors and carpet. This area also contains a half bath. There are 2 open entry ways into a large kitchen area complete with dishwasher, refrigerator and electric range. The lower level of the main home consists of a master bedroom with master bath, 2 bedrooms plus a full bath, utility room with Kenmore washer, dryer and a water heater. This is a walk out basement to the backyard. There is also a 3/4 wrap-around deck on the upper level.

Then a curved gallery connects to the guest house/wing on the north side of the home which was built in 2005. As you enter the guest home into a large living room, there is a built in wood fireplace that has a tile and carpet combination floor. There is a bedroom/den with closet and linen closet plus a furnace room which also holds the water heater. Above this bedroom is a large finished loft area suitable for another bedroom or lounging area. There is a full bath complete with whirlpool tub.

Another curved gallery on the South side of the main home leads into a 24x36 2-stall garage with 2 door openers. Above the garage is a large, finished loft that could be used for a bedroom or game room. At the front of the home is a large concrete courtyard for parking with lots of attractive landscaping.

This is a very well constructed home which has steel studs, steel roof, vinyl siding, 11 1/2inch side walls, fully insulated, and 2 central air units. There is 2,000plus sq ft of living area. Home has rural water and is located in the Centerville School District. Also on this property is a large finished barn with concrete floor, 10ft overhead roll up door and insulated. There is a single car garage finished with concrete floor and a fuel oil heater that is currently used for a shop area.

You must see this unique home to really appreciate it. Make plans to attend the open houses. Many photos available online at www.GirardAuction.com.

The crop ground has the Clay County FSA Office showing 20.6 acres cropland with a corn base of 9.9 and a CC yield of 107bu; soybean base of 10.3 and a CC yield of 42bu. Possession of farmland at closing. This is an excellent opportunity for the hobby farmer or an established farmer looking for a beautiful home.

LEGAL: That part of Sec 6 lying South and East of the Railroad Right of Way, 95-52 Clay County, SD. 37.51 taxable acres +/- . Taxes are \$3,190.20.

TERMS: 10% nonrefundable down payment due day of auction with balance due on closing of November 19, 2012. Closing costs & title insurance will be split 50/50 between buyer and seller. Taxes closing prorated to day of closing. Possession on closing. Robert Frieberg, Attorney for the Estate and Closing Agent. Auctioneers are acting as agents for the seller.
