**2012 Constitutional Amendments**  
 The following amendments to the State Constitution are submitted to the voters by the Legislature. The amendments will not become effective unless approved by majority vote.

**Constitutional Amendment M**  
**Title:** An Amendment to the South Dakota Constitution regarding certain provisions relating to corporations.

**Attorney General Explanation:**  
 The Constitution currently contains certain restrictions on the Legislature's authority to enact laws regarding corporations. For example, corporate directors must be elected by cumulative voting,

**2010 Legal and Public Notices**  
 in which a shareholder may choose to cast all votes for a single candidate or spread the votes among two or more candidates. Corporate stock or bonds may only be issued for money, labor or property received by the corporation. Corporate stock or debt may not be increased without prior notice to and consent of current stockholders.

Constitutional Amendment M removes these restrictions, and allows the Legislature to: (1) authorize alternative methods of voting in elections for corporate directors; (2) expand the types of contributions a corporation may receive for the issuance of stock or bonds; and (3) establish procedures governing the increase of corporate stock or debt.

A vote "Yes" will remove the constitutional restrictions.

A vote "No" will leave the Constitution as it is.

**Full Text of Constitutional Amendment M:**  
 That Article XVII, section 1 of the Constitution of the State of South Dakota, be amended to read as follows:

§ 1. No corporation shall be created or have its charter extended, changed or amended by special laws, except those for charitable, educational, penal or reformatory purposes, which are to be and remain under the patronage and control of the state; but the Legislature shall provide, by general laws, for the organization of all corporations hereafter to be created. The Legislature shall have the authority to enact laws governing the operation and dissolution of corporations.

That Article XVII, section 5 of the Constitution of the State of South Dakota, be amended to read as follows:

§ 5. In all elections for directors or managers of a corporation, each member or shareholder may cast ~~the whole number of his votes for one candidate, or distribute them upon two or more candidates, as he may prefer votes in the manner consistent with laws enacted by the Legislature~~

That Article XVII, section 8 of the Constitution of the State of South Dakota, be amended to read as follows:

§ 8. No corporation shall issue stocks or bonds except for money, labor done, or money or property actually received, or for the reasonable value of other contribution to the corporation; and all fictitious increase of stock or indebtedness shall be void. The stock and indebtedness of corporations shall not be increased except in ~~observance of general law, nor without the consent of the persons holding the larger amount in value of the stock first obtained, at a meeting to be held after sixty days notice given in pursuance of law the manner consistent with laws enacted by the Legislature.~~

**Constitutional Amendment N**  
**Title:** An Amendment to the South Dakota Constitution repealing certain reimbursement restrictions for travel by legislators to and from a legislative session.

**Attorney General Explanation:**  
 The Constitution fixes the mileage reimbursement rate for legislators at five cents per mile for their travel to and from a legislative session.

Constitutional Amendment N repeals this constitutional limitation and allows legislator travel reimbursement to be set by the Legislature.

A vote "Yes" will eliminate the fixed travel reimbursement rate.

A vote "No" will leave the Constitution as it is.

**Full Text of Constitutional Amendment N:**  
 That Article III, section 6 of the Constitution of the State of South Dakota, be amended to read as follows:

§ 6. The terms of office of the members of the Legislature shall be two years; ~~they legislators~~ shall receive for their services the salary fixed by law under the provisions of § 2 of article XXI of this Constitution, ~~and five cents for every mile of necessary travel in going to and returning from the place of meeting of the Legislature on the most usual route.~~

No person may serve more than four consecutive terms or a total of eight consecutive years in the senate and more than four consecutive terms or a total of eight consecutive years in the house of representatives. However, this restriction does not apply to partial terms to which a legislator may be appointed.

**2010 Legal and Public Notices**  
 A regular session of the Legislature shall be held each year and shall not exceed forty legislative days, excluding Sundays, holidays and legislative recess, except in cases of impeachment, and members of the Legislature shall receive no other pay or perquisites except salary and mileage.

**Constitutional Amendment O**  
**Title:** An Amendment to the South Dakota Constitution changing the method for distributions from the cement plant trust fund.

**Attorney General Explanation:**  
 In 2001, the \$238 million in proceeds from the sale of the state cement plant were placed in a constitutionally created trust fund. Currently, the Constitution requires a yearly transfer of \$12 million from the cement plant trust fund to the state general fund. In addition, under certain circumstances the Legislature must authorize distributions of cement plant trust fund earnings for the support of education.

Amendment O replaces the existing method for cement trust fund distributions. The amendment would require a yearly transfer of 4% of the market value of the cement plant trust fund to the state general fund for the support of education.

A vote "Yes" is for changing the method for distributions from the cement plant trust fund.

A vote "No" will leave the Constitution as it is.

**Full Text of Constitutional Amendment O:**  
 That Article XIII, section 20 of the Constitution of the State of South Dakota, be amended to read as follows:

§ 20. The net proceeds derived from the sale of state cement enterprises shall be deposited by the South Dakota Cement Commission in a trust fund hereby created to benefit the citizens of South Dakota. The South Dakota Investment Council or its successor shall invest the trust fund in stocks, bonds, mutual funds, and other financial instruments as provided by law. ~~Each fiscal year beginning in fiscal year 2001, a transfer of twelve million dollars shall be made from the trust fund to the state general fund as provided by law.~~

That Article XIII, section 21 of the Constitution of the State of South Dakota, be amended to read as follows:

§ 21. ~~Except as provided in Article XIII, section 20 of the Constitution of the State of South Dakota, the original principal of the trust fund shall forever remain inviolate. However, the Legislature shall, by appropriation, make distributions from the difference between the twelve million dollar annual general fund transfer and five percent of the market value of the trust fund for the support of education, but not for the replacement of state aid to general education or special education, if the increase in the market value of the trust fund in that fiscal year was sufficient to maintain the original principal of the trust fund after such distributions. Beginning with fiscal year 2006, the market value of the trust fund shall be determined by adding the market value of the trust fund at the end of the sixteen most recent calendar quarters, and dividing that sum by sixteen transfer from the trust fund to the state general fund four percent of the lesser of the average market value of the trust fund determined by adding the market value of the trust fund at the end of the sixteen most recent calendar quarters as of December thirty-first of that year and dividing that sum by sixteen, or the market value of the trust fund at the end of that calendar year for the support of education in South Dakota. The transfer shall be made prior to June thirtieth of the subsequent calendar year.~~

**Constitutional Amendment P**  
**Title:** An Amendment to the South Dakota Constitution adding balanced budget requirements.

**Attorney General Explanation:**  
 While the constitution currently restricts the State from incurring debt, it does not expressly require the State to have a balanced budget. Amendment P requires the Governor to propose a balanced budget. In addition, Amendment P prohibits legislative appropriations from exceeding anticipated revenues and existing available funds. The amendment is not intended to affect other constitutional provisions

A vote "Yes" will include balanced budget requirements in the Constitution.

A vote "No" will leave the Constitution as it is.

**Full Text of Constitutional Amendment P:**  
 That Article XII of the Constitution of the State of South Dakota, be amended by adding a NEW SECTION to read as follows:  
 § 7. The Governor shall propose a budget in which expenditures or appropriations may not exceed anticipated revenue and existing funds available for expenditure or appropriation. Appropriations by the Legislature may not exceed anticipated revenue and existing funds available for expenditure or appropriation. Nothing in this section is intended to limit, restrict, expand, modify, or otherwise affect any other provision of this Constitution, including Article XIII.  
**2012 Initiated Measure**  
 The following initiated measure was proposed by petition for submission to the voters. This initiated measure will not become effective unless approved by majority vote.  
**Initiated Measure 15**  
**Title:** An initiated measure to increase state general sales and use taxes for additional K-12 public education and Medicaid funding  
**Attorney General Explanation:**  
 The initiated measure increases the state general sales and use tax rate from 4% to 5%. The additional tax revenue will be split evenly between K-12 public education and Medicaid. The education funds will be provided to school districts based on enrollment, to be spent on improving education as school boards determine. The Medicaid funds will be spent only on payments to Medicaid providers and related state expenses.  
 The additional funds cannot replace or reduce state funding levels set for fiscal year 2012 relating to existing Medicaid and K-12 public education programs, including state aid to education. Currently, state aid is to be adjusted annually by 3% or the rate of inflation, whichever is less. Under the measure, this annual adjustment cannot exceed the growth rate in state general fund revenues. Any resulting shortfall in state aid will be made up in subsequent years.  
 A vote "Yes" is for the proposed law.  
 A vote "No" is against the proposed law.  
**Full Text of Initiated Measure 15:**  
 1. Commencing January 1, 2013, twenty percent of the monies collected pursuant to the South Dakota sales and use taxes imposed by SDLC chapters 10-45 and 10-46 shall be placed in a special fund known as the Moving South Dakota Forward fund. The monies in the Moving South Dakota Forward fund shall be allocated into the following two sub-funds within the Moving South Dakota Forward fund (1) fifty percent shall be allocated to the Moving K-12 Education Forward subfund; and (2) fifty percent shall be allocated to the Moving Healthcare Forward subfund.  
 2. Monies allocated in Section 1 of this initiated measure shall be disbursed as follows:  
 (1) Monies in the Moving K-12 Education Forward sub-fund are continuously appropriated to the public school districts of South Dakota, to be distributed pro rata based upon each school district's relative share of fall enrollment as defined in SDLC chapter 13-13, compared to the fall enrollment of all school districts. Funds deposited in the Moving K-12 Education Forward subfund in the preceding calendar quarter shall be distributed, provided above, to the public school districts of South Dakota by the first business day of February, May, August, and November of each year, commencing May 1, 2013. Funds received by a school district from the Moving K-12 Education Forward subfund shall be used at the sole discretion of the public school district's governing board for the purpose of improving public education;  
 (2) Eighty percent of the monies in the Moving Healthcare Forward subfund shall be spent only for the purpose of funding payments to providers to the South Dakota Medicaid program, which are incurred due to increases in expenses related to the reimbursement rates paid to service provid-
