### 2014 Constitutional Amendment

The following amendment to the State Constitution is submitted to the voters by the Legislature. The amendment will not become effective unless approved by majority vote.

#### Constitutional Amendment Q

**Title:** An Amendment to the South Dakota Constitution authorizing the Legislature to allow roulette, keno and craps in Deadwood.

#### Attorney General Explanation:

The Constitution currently authorizes the Legislature to allow two kinds of games of chance in Deadwood: limited card games and slot machines. The proposed amendment authorizes the Legislature to also allow roulette, keno and craps in Deadwood.

Under federal law, any games of chance authorized by the Legislature to be offered in Deadwood would also be allowed at on-reservation tribal casinos.

A vote "Yes" is for changing the constitution to allow the Legislature to authorize roulette, keno and craps in Deadwood.

A vote "No" will leave the constitution as it is.

#### Full Text of Constitutional Amendment Q

That Article III, section 25 of the Constitution of the State of South Dakota, be amended to read as follows:

§ 25. The Legislature shall not authorize any game of chance, lottery, or gift enterprise, under any pretense, or for any purpose whatever provided, however, it shall be lawful for the Legislature to authorize by law, bona fide veterans, charitable, educational, religious or fraternal organizations, civic and service clubs, volunteer fire departments, or such other public spirited organizations as it may recognize, to conduct games of chance when the entire net proceeds of such games of chance are to be devoted to educational, charitable, patriotic, religious, or other public spirited uses. ever, it shall be lawful for the Legislature to authorize by law a state lottery or video games of chance, or both, which are regulated by the state of South Dakota, either separately by the state or jointly with one or more states, and which are owned and operated by the state of South Dakota, either separately by the state or jointly with one or more states or persons, provided any such video games of chance shall not directly dispense coins or tokens. However, the Legislature shall not expand the statutory authority existing as of June 1, 1994, regarding any private ownership of state lottery games or video games of chance, or both. The Legislature shall establish the portion of proceeds due the state from such lottery or video games of chance, or both, and the purposes for which those proceeds are to be used. SDCL 42-7A, and its amendments, regulations, and related laws, and all acts and contracts relying for authority upon such laws and regulations, beginning July 1, 1987, to the effective date of this amendment, are ratified and approved. Further, it shall be lawful for the Legislature to authorize by law, roulette, keno, craps, limited card games and slot machines within the city limits of Deadwood, provided that 60% of the voters of the City of Deadwood approve legislatively authorized card games and slot machines at an election called for such purpose. The entire net Municipal proceeds of such roulette, keno, craps, card games and slot machines shall be devoted to the Historic Restoration and Preservation of Deadwood.

### 2014 Initiated Measures

The following initiated measures were proposed by petition for submission to the voters. These initiated measures will not become effective unless approved by majority vote.

#### Initiated Measure 17

**Title:** An initiated measure to require health insurers to include all willing and qualified health care providers on their provider lists.

#### Attorney General Explanation:

Some health insurers offer health benefit plans in which the insurer maintains a list of health care providers. Plan members must use listed providers in order to obtain the maximum plan coverage, or to have coverage at all. "Health care providers" include doctors and other licensed health care professionals, clinics and hospitals.

The initiated measure establishes who is entitled to be on the insurer's list of providers. The measure requires that these insurers list all health care providers who are willing, qualified and meet the conditions for participation established by the insurer.

The measure does not apply to all health insurers, nor to certain kinds of insurance and plans including those involving specified disease, indemnity, accident only, dental, vision, Medicare supplement, long-term care or disability income, and workers' compensation.

A vote "Yes" is for the law requiring health insurers to include all willing and qualified health care providers on their provider lists.

A vote "No" is against the proposed law.

#### Full Text of Initiated Measure 17

Section 1. No health insurer, including the South Dakota Medicaid program, may obstruct patient choice by excluding a health care provider licensed under the laws of this state from participating on the health insurer's panel of providers if the provider is located within the geographic coverage area of the health benefit plan and is willing and fully qualified to meet the terms and conditions of participation as established by the health insurer.

#### Section 2. Terms and used in this Initiated Measure mean:

(1) "Health benefit plan," any hospital or medical expense policy or certificate, hospital or

medical service plan, nonprofit hospital, medical-surgical health service corporation contract or certificate, provider sponsored integrated health delivery network, self-insured plan or plan provided by multiple employer welfare arrangements, health maintenance organization subscriber contract of more than six-month duration, or any health benefit plan that affects the rights of a South Dakota insured and bears a reasonable relation to South Dakota, whether delivered or issued for delivery in South Dakota. The term does not include specified disease, hospital indemnity, fixed indemnity, accident only, credit, dental, vision, Medicare supplement, long-term care or disability income insurance, coverage issued as a supplement to liability insurance, workers' compensation or similar insurance, automobile medical payment insurance, or any plan or coverage exempted from state regulation by the Employee Retirement Income Security Act of 1974 (ERISA), 29 U.S.C. 18; (2) "Health insurer," any entity within the definitions set forth in subdivisions 58-17F-1(11), (12), and (15), any entity offering a health benefit plan as defined by §58-17F-2, all self-insurers or multiple employer welfare arrangements, and self-insured employer-organized associations. The term does not include any entity exempted from state regulation by the Employee Retirement Income Security Act of 1974 (ERISA), 29 U.S.C. 18; (3) "Health care provider," any individual or entity within the scope of the definition of health care provider as defined by subdivision 58-17F-1(9).

### Initiated Measure 18

**Title:** An initiated measure to increase the state minimum wage.

#### Attorney General Explanation:

The initiated measure amends state law to raise South Dakota's hourly minimum wage for non-tipped employees from \$7.25 to \$8.50 per hour, effective January 1, 2015. Thereafter, this minimum wage will be annually adjusted by any increase in the cost of living. The cost of living increase is measured by the change in the Consumer Price Index published by the U.S. Department of Labor. In no case may the minimum wage be decreased.

In addition, the hourly minimum wage for tipped employees will be half the minimum wage for non-tipped employees as adjusted by any cost of living increase described above.

These increases would apply to all employers in South Dakota, with limited exceptions.

A vote "Yes" is for the increase in the state minimum wage.

A vote "No" is against the change in the law.

#### Full Text of Initiated Measure 18

The provisions of this section do not apply to certain employees being paid an opportunity wage pursuant to §60-11-4.1, babysitters, or outside salespersons.
