Local Students Awarded For Their Commitment To Saving Lives

SIOUX CITY, IA (October 15, 2015) – This summer, high school and college students from across Iowa, Nebraska and South Dakota competed to win a scholarship from LifeServe Blood Center by hosting a Save our Summer Blood Drive. The Save our Summer Scholarship Program was developed to reward students for their commitment to saving lives and supporting their community through blood donation and blood drive sponsorship.

Students had the opportunity to earn a \$750 scholarship by hosting one blood drive during the summer months that brought in at least 50 units of blood. Congratulations to our scholar winners listed below!

- Mackenzie Huber, University of South Dakota, and Josie Huber, Dakota Wesleyan University, 65 units collected, up to 195 lives saved.

High school and college students are vital to the future of the volunteer blood donor program. LifeServe Blood Center commends these students for the time, effort, and energy they put forth to assure the success of their blood drives. LifeServe Blood Center was established in April, 2010 when The Blood Center of Iowa joined operations

with Siouxland Community Blood Bank. As one of the 15 largest blood centers in the country, LifeServe Blood Center provides blood and blood products to more than 100 hospitals located across Iowa, Nebraska, and South Dakota. LifeServe is committed to saving lives by providing premier service to volunteer blood donors and access to a safe, quality blood supply for hospitals and patients.
