**THE CITY CODE ENFORCEMENT DEPARTMENT WOULD LIKE TO WELCOME ALL OF OUR NEW AND RETURNING RESIDENTS TO THE CITY OF VERMILLION.**

To make your time in Vermillion a pleasant experience, the Code Enforcement Department would like to take this opportunity to inform everyone of the following city ordinances.

**Dogs running at large and barking dogs:** The City has a leash ordinance. Please keep your pet on a leash when off your property. Dogs that bark continually disturb the peace and owners may be issued citations. If you own a dog, please be a responsible pet owner. Your pet needs to be licensed with the City of Vermillion. Please stop by the City Finance Office and register your pet.

**Stray Cats:** There is a "no running at large" ordinance for cats. However, nuisance cats can be a problem and are controlled by ordinance.

**Front yard parking:** Parking is prohibited on yards. Please park in spaces designed for parking only. Parking between the sidewalk and the curb is also prohibited, even on the driveway section. Parking tickets are issued to violators.

**No couches or chairs on front lawn or porches:** It is hereby declared a public nuisance for any person owning, leasing, occupying or having charge of any premises in this city to store loose items of trash in your yard or on your front porch - this includes abandoned cars and miscellaneous items.

It is illegal to keep your refrigerator, or appliances on your front porch or lawn. While these things may not be trash, they still affect your neighborhood's appearance. Furniture may not be kept on your lawn. Small animals will quickly take up residence inside any furniture you leave outside.

**Grass and weed mowing:** Lawn mowing is required, and grass six (6) inches in height or higher is ticketed by the City. This is an active program and city staff makes regular checks for violations.

**Trash collection:** Trash collection is required once every seven (7) days. Cans with lids are also required.

**Sidewalk snow removal:** The City requires sidewalks to be cleared of snow within 24 hours after any snowfall. This is also an active program with regular checks after snowfall.

In order to fund this program, the City has established services fees. If you are ticketed for a violation of a city ordinance, a service fee will be assessed to the property owner. These ordinances are designed to help promote peace and harmony between residents. If you have any questions, please call:
