## HOUSEHOLD HAZARDOUS WASTE COLLECTION FOR CLAY COUNTY, YANKTON COUNTY, AND RURAL UNION COUNTY

**Vermillion Household Hazardous Waste Collection**  
**When: September 12th, 2:00 PM to 6:00 PM**  
**Where: Vermillion Recycling Center**  
**Why: To get rid of Hazardous Waste that can harm you, your family or the Environment.**

**Examples of HHW**

- Latex and Oil Based Paints
- Household Cleaning Products
- Fluorescent Light Bulbs
- Batteries
- Pesticides
- Anti-Freeze

**Why can't I just throw Household Hazardous Waste (HHW) away?**

Certain types of HHW have the potential to cause physical injury to sanitation workers, contaminate septic tanks or wastewater treatment systems if poured down drains or toilets, and present hazards to children and pets if left around the house. Read product labels for disposal directions to reduce the risk of products exploding, igniting, leaking, mixing with other chemicals, or posing other hazards on the way to a disposal facility. Even empty containers of HHW can pose hazards because of the residual chemicals that might remain.

**When and where can I dispose of my HHW?**

On September 12th, from 2:00 PM to 6PM, bring your HHW to the Missouri Valley Recycling Center. The cost per vehicle is \$10.

The Missouri Valley Recycling Center is located at:  
 840 N Crawford Rd  
 Vermillion SD, 57069

**Brought to you by:  
 The City of Vermillion  
 Missouri Valley Recycling  
 Clay County**
