

Benefit for Doug Ganschow

The community of Wakonda and the surrounding area is hosting a benefit for Doug Ganschow of Wakonda. Doug has been diagnosed with incurable Stage 4 Sarcomatoid Renal Cell Carcinoma (kidney cancer which has spread to lungs and other parts of the body). He is currently resting comfortably at home surrounded by family and friends.

Doug has an amazing support system, including his wife Pam (Anderson) and two children. Their daughter Staci, married to Daniel Larson, lives outside

of Volin with their four children Abby 14, Molly 11, Keeley 9, and Nathan 6. Their son Robert Ganschow lives in Wakonda, conveniently across the driveway from Doug and Pam. Doug is the oldest of four brothers born to Robert (deceased) and JoAnn Ganschow of Wakonda. His siblings are Dennis (Kathy Taylor) Ganschow, Darby (Cathy) Ganschow, and David (Brenda) Ganschow. All four brothers live in Wakonda. Doug also has two brother-in-laws Stuart (Samantha) Anderson of Yankton and Craig (Amy)

Anderson of Yankton, a sister-in-law Janet (David) Nelson of Irene and many, many nieces, nephews and friends.

Doug was born in Chelsea, Massachusetts where his father was serving in the military. At the age of one, his family moved to Wakonda, SD and he has lived there ever since. Doug is hardworking, generous, and devoted to his family, friends, and community. He graduated from Wakonda High School in 1973 and married his high school sweetheart Pam Anderson in

1974. He has farmed since 1973 and raises cattle with his son and son-in-law. He just completed 25 years of service at the University of South Dakota where he served in many departments and finished his career as a structural supervisor.

In his free time, Doug has enjoyed playing men's fast-pitch and slow-pitch softball, bowling, coaching girls softball, golfing, fishing, hunting, playing pinochle and cribbage, and attending as many of his grandchildren's events as possible.

The benefit is scheduled

for Saturday, October 10th at the Wakonda Legion Hall. A free will donation supper will start at 4:30. A silent auction starts at 4:30 and a live auction at 7:00 with Girard Auction donating their services. Cash donations can be made out to the "Doug Ganschow Benefit" at First Premier Bank, PO Box 326, Wakonda SD 57073. If you would like more information or to donate an item to the auction please contact: Donna Henriksen 661-3987, Pat Girard 267-2421, or Darby Ganschow 661-2739.

Our small communities always come together to help those in time of need. This benefit is to help with the financial burden of hospital, doctor and monthly bills. Please join us October 10th for supper, shopping, and supporting Doug and his family.

Supplemental Funds applied for from Clay County SD Thrivent Chapter. Matching Funds from Modern Woodmen of America, Cathy Becker Agent.

APPLIED ENGINEERING, INC. MULTIPLE CAREER OPPORTUNITIES AVAILABLE

Manufacturing Engineer: Develops and implements cost-effective manufacturing processes in support of customer requirements and quality standards. Responsibilities include supporting production/quality operations, and project management. This position develops tools, techniques, and systems to drive effective utilization of resources with focus on continuous improvement.

Electromechanical Technician: The EM Tech conducts, maintains, tests and repairs electrical/electronic, mechanical, hydraulic, and pneumatic systems and components. The position applies knowledge of electrical/electronic and mechanical principles in determining equipment malfunctions and applies skills in restoring equipment to operation. The EM Tech provides skilled mechanical and electrical/electronic support to all areas of manufacturing.

Quality Technician-In Process Inspector: plays an essential role in our business verifying product conformance to the customers' dimensional criteria. This position also interacts with our internal customers to provide guidance on external customers' requirements. This individual is a proven performer with high attention to detail and possesses strong organizational skills while taking direction from several different functions.

CNC Loader Level II: part of the manufacturing team and will assist with the loading and unloading of CNC machines. The position requires an individual to efficiently load material and keep their responsible machines running at all times with the ability to understand basic quality measuring devices and blueprints. This individual will also be expected to have good communication skills and work as an integral part in a team environment.

Drill and Deburr: part of the finishing team and will deburr customer products using a wide array of procedures and tooling. This individual must have the ability to deburr simple to complex components, follow work instructions, understand basic prints, and use measuring devices.

For more information on the position or to receive an electronic application, e-mail Bridget Benson; Bridget.Benson@appliedeng.com. No phone calls, please.

Applied offers competitive wages and benefits including:
Flexible Hours, Holiday Pay, Medical, Dental, Sick Leave, Vacation, STD, LTD, Vision, 401(k) with match, Bonus Program

Applications are being taken at the following locations:
• Applied Engineering, Inc, 2008 East Hwy 50, Yankton, SD 57078
• Yankton Career Center, 3113 Spruce St., Yankton, SD 57078
