minute. Senior Brenna Bills dropped to Nivala on the right flank. Nivala crossed it into the box, where freshman Sammie Villwock got her left foot under the ball for a shot that finished left of the goalpost.

Nivala, Bills, and freshman Makenzie Burmeister also had shots during the match.

The Coyote back line limited the Northern Iowa (4-4-3) offense to only seven shots on goal in the 90 regulation minutes. Of the seven shots, sophomore goalkeeper Sydney Hardin grabbed three saves. This year's team has the talent and drive to make it far into the playoffs. In nine games the team has put up 40 goals, scoring in every game, and allowed only nine.

"We feel we are strong at every position, so if we can continue to play as a team—defending from the top and making offensive opportunities happen from the back—we hope to make it into the next round of playoffs," Fitzsimmons said.

Aside from the positive attitudes, Fitzsimmons says the key to making a playoff run this year will be maintaining possession and capitalizing on scoring opportunities in front of the goal.

"We need to play at a high level—maintaining possession and pressure—from the beginning to the end of the game and execute our opportunities in front of the goal," she said.

Vermillion will begin postseason play Tuesday or Saturday with the higher seed as the home team.

## USD Hosts Coyote Classic

## Treiber Named Tanager Of The Week

ELYSE BRIGHTMAN/ FOR THE PLAIN TALK  
**Vermillion softball's Maddie Treiber was named Tanager of the Week for her contributions on the diamond.**

BY ELYSE BRIGHTMAN  
elyse.brightman@plaintalk.net

The starting pitcher for the Vermillion High School softball team isn't even a Vermillion resident. Maddie Treiber lives in Alcester, but

is used to making the trip to Vermillion multiple times a week to be a part of the Tanager's team after spending the summers playing softball in Vermillion.

"Alcester doesn't have a team, we're too small of a school, and I've been playing here for three years now," said the freshman at Alcester-Hudson High School.

Treiber earned the starting pitcher spot for the Tanagers and is helping the team towards its best record in almost four year, both offensively and defensively, and because of her contributions on the diamond, she has been named this week's Tanager of the Week.

"She is our starting pitcher and she is always competitive but also maintains a calm demeanor, doesn't get too high, doesn't get too low, but is always working with the team to get better. She works as hard as anybody and it shows," said head coach Josh Wood.

Treiber has started 10 of the teams 11 games and garnered a record of 3-7 with an ERA of 7.09 and has struck out 29 batters in a total of almost 49 innings pitched. She was also recognized as the player of the week during the week two South Dakota High School Fastpitch

Coaches Poll, along with the team moving up a spot to the number three ranked team in the state.

When she's not pitching, Treiber can be seen in leftfield though she prefers to have the ball at her hands.

"I just like being out in the middle of all of it," she said.

And that's where coach Wood likes to see her.

"She throws a really nice fastball and she's got a dirty change up, it's just probably 20 miles per hour slower and it makes batters look really funny," he said. "It changes speeds, which is the key to getting these kids — most of them three or four grades older than our kids that are playing."

Treiber is also a major contributor at the plate batting in the number six spot, which according to Wood allows her to drive in runs. So far this season Treiber has a .280 batting average with seven hits, including three doubles, with three runs scored and six runs batted in.

"She's a good competitor at whatever she's doing in the game," Wood said.

Congratulations Maddie on being named the Tanager of the Week.
